Subject / title
Approve Platform updates regarding references to laws, treaties, proposed legislation, etc.

Type of proposal, expected approval threshold
Platform amendment: 2/3 majority

Requested proposal decision-making timeline
2 week discussion period followed by a 1 week voting period

Background
The Platform Committee has engaged in a review of the entire text and has found a series of references to laws, treaties, proposed legislation, studies, etc. that need to be updated. By adopting this motion the NC authorizes the Committee to make these changes. If any NC member requests a division of this motion, with a separate vote on one or more of the proposed edits, the motion will be divided.

Proposal
The Platform edits documented in the .pdf file listed in the "reference" section below are approved by the National Committee.

Resources
Time and work by the Platform Committee and national staff to update the Platform on-line.
