

EDINA HIGH SCHOOL ACTIVITIES OFFICE

Below is the Holiday schedule along with custodial holiday times. We understand that for some holidays there is a need to gain access to a building. In an effort to coordinate times we are asking custodians to open buildings, please use the following guide of when you can schedule practice times and in what building for the year. Coaches still need to request facility space on these days.

Holiday Building Hours for EHS Activities 2026-27

Coaches & Advisors: Please use the guide below of when buildings will be open and where you may schedule practices during holidays.
