- Victim - Roderick Teague (21 years old)
- Suspect - Jocquan Jordan (24 years old)
- Details - The motive for the shooting has not yet been reported. Teague and a group of friends were walking through the parking lot while many other individuals were separately gathered and loitering around. Jordan was in one of these groups that'd been loitering around the lot. As Teague's group approached where Jordan and his group were standing, Jordan suddenly pulled out a gun and fired multiple shots. Everyone scattered the area, but Teague fell to the ground fatally wounded. After a minute or so of silence, and determining it was safe to go out, Teague's friends ran back to the lot and loaded him into a vehicle to drive him to the hospital.
