BEELZEBUBS CROWN OF ROT

In The Midst Of Life Rot And Decay Are Prevalent
In The Four Corners Of The Earth, The Flies Gather
As The Swarm Which Blackens The Sun

By The Blessing Of The Flying Monarch
The Prince Of Devils, Thrust Upon This Audio Thy Wicked Charm

Transmute By The Black Hands Of The Sixth Brother

To Become The Droning Current Of BEELZEBUB

I Consecrate This Audio, By The Powers Of Decay In The Name Of The Druj Nasu

I Consecrate This Audio By The Powers Of Infernal Pollution

In The Name Of PAZUZU

Beelzebub Is Known As The Lord Of Decay, The Lord Of Disease And Famine. While Yes He Obviously Is People Do Not Release That He Also Has The Capability To Do The Quite Opposite.

Beelzebub From My Experience Has Been One Of The Most Major Catalysts In My Demonic Evolution. He Has The Ability To Make You Complete Immune To All Forms Of Disease (Diss- Ease) The Lack Of Ease. So While Disease Does Refer To Physical Ailments. Beelzebub Works Much Deeper Into Your Psyche To Show You The Root Cause For Any Emotional Distress That Will Eventually Manifest As A Physical Disease If Not Worked On.

Beelzebub WILL NOT Do The Work For You. He Will Show You What You Need To See And Then It Will Be Your Decision To Decide Which Path You Will Take. Beelzebub May Cause Some Very Intense Emotional Moments. You Might Argue With A Spouse Or Have A g With A Friend Or Even Get In A Physical

Altercation. It All Depends On The Trauma That You Hold Within Your Conscious Subconscious And Unconscious Minds.

Our Trauma Holds One Of If Not The Strongest Influencer To Our Decisions. For Example Say You Have Always Been Told From A Young Age To Suck It Up Or To Stop Crying Like A Little Bitch. This Will Cause You To Develop A Disconnection With Your Emotions And A Lack Of Regulation On Your Emotions. This Will Also Lead To Drug Addiction Because Drugs For Many People Can Make Them Feel More Emotion Than They Have Ever Felt Before This Is Why They Are So Addicting.

The More Severe The Trauma The More Intense The Surfacing And Dissolution Of That Energetic Pattern Will Be. The Time Of Dissolution Will Also Differ From Others So Ut Might Take Multiple Scenarios To Find Your Higher Self Again. Do Not Worry As It Will All Be For Your Highest Good And Also If You Listen To This Channel And Want Power Want Knowledge And Wisdom How To Use It, And You Won't Listen To This Because You Don't Want Bad To Happen Than Honestly Get The Fuck Off My Channel. If You Aren't Willing To Go Through The Pain For Power You Seriously Do Not Belong Here With My Vibratory Signiture.

BEELZEBUBS

POISONOUS DEMONIC SEXUAL ALLURE

Beelzebub Is Not Known As Commonly To Be Attributed With Beauty And Attraction As Many Believe His Spirit Is The Most Grotesque Abominably Horrifying Disgusting Scourge Of God .

This Is True.

To A Certain Degree. Beelzebub Just Like All Spirits Often Times Appear To The Magician In Differing Archetypal Patterns Depending On The Vibratory Expression The Invoker Is At.

For Me At First Beelzebub Did Show Up As This Absolutely Horrifying Putrid Sludge Of Infernal Vomit.
Basically Infernal Vomit Is The Vomit In Which A Spirit Of The Infernal Nature Can Lay Upon Anything In Existence. This Vomit Has Universal Application Meaning It Can Be Used In All Ways. Think Of How Vomit Works In The Human Body. The Bile Fluid Rests In The Energy Center Of The Solar Plexus The Center Responsible For Outward Expression Of What Is Actually Internal. Then It Moves Up Past The Heart Center Responsible For Emotional Patterns And Self Appreciation, Then Finally Out The Throat Center Responsible For Dictating Energetic Resonance Into The Physical . To Put It Simply Vomit Is The Strongest Outward Reflection Of Energies That Is Possible To Be Produced In A Humane Way.
I Said This So You Will Understand Infernal Vomit. It Is The True Inner Reflection Of The Infernal Force That Creates This Energetic Bile.
Beelzebubs Main Bile Is Decay And Pollution And Disease. We Can Use This Decay And Pollution Effectively In The Sense We Decay Anything Keeping Us From Our Most Attractive Self. We Decay Any Blockages From Decaying Anything From Our Most Attractive Self And So On And So On.

Beelzebub Is A Heavy Influencer When It Comes To Attraction. This Is Because What He Will Do Is Place Something I Like To Call The Vile Of Pollution. What This Will Do For You Is Put A Real Psychically Conscious Infernal Parasite From Beelzebubs Legion Within Your Energetic Bodies. This Parasite Will Feed On And Decay Anything In Your Way Of Becoming Your Truest Daemonic Self. It Will Also When You Are Around People (Family Excluded) Enter Their Spiritual Bodies And Feast And Devour Anything That Keeps Them From Seeing You Are

The Most Devilishly Beautiful Thing To Ever Exist. Again It Does Not Matter What You Physically Look Like You Will Be Deemed The Top .0000001 Percent Of Attractiveness. It Will Pollute Their Minds Into A Very Suggestible State And Than This Infernal Parasite Will Vomit On Every Square Inch Of The Subjects Body Making Them Undyingly Loyal And Submissive And Entranced By Your Presence

Thank You Fellas As Always
