

You may edit the design in any way you like, including gender, colours, adding accessories, tweaking design aspects, etc. However, you may NOT claim the original design as your own. If you change the design to an extreme degree, you may claim the edits as your own, but the original design should still be accredited to me. You may not create clone characters of the design, such as for “twins” or “siblings,” and claim these designs as your own.

You may resell or give away the design for a price equal to or less than the original price, unless you've paid for additional art of it. In which case, you may resell the design for the original price, as well as the amount paid for commissioned art of it. You must be able to provide proof of purchase for commissioned art of it. You may trade the design to another person, relinquishing ownership of the design. If this happens, the new owner now has the right to resell the design for the original price, as well as the price of any commissioned artwork for it, provided they can provide all proofs of purchase. You may not charge any extra for art that was not purchased, such as gift art.

I do not allow for co-owning of my designs. One person only will be acknowledged as the owner of a design at a time.

You may use my designs for your own projects, including merchandise, games, art, etc, as long as I am credited in an easy-to find location, such as a description. You may not reproduce the original art of the design that I created, only art made by you, or other art of the character, provided you have permission to use it.

The original buyer may repost the original art of the design, as long as credit is clearly shown, such as in a description. I do not take responsibility for any art of the character not drawn or edited myself.

You must be 18 years or older to purchase with USD. If you lie about your age, I have the right to refund you and resell the design. I have the right to refuse a sale for any reason, and I do not need to provide a reason.

If you would like a refund for the design, you relinquish ownership of it back to me, and I will refund you the amount you originally paid for the design. I have the right to refuse a refund for any reason, and I do not need to provide a reason.

For custom designs, if you would like to cancel your order, you may do so at any time during the designing process. If you cancel your order, I have the right to resell the design, whether I make changes to it or not.

This purchase is for purely digital goods, and no physical items will be shipped to you. Upon payment, I send a digital copy of the image/file to the buyer.
