

**BREATHE LIFE
INTO INDIA**

In support of Singapore Red Cross

Update 1 July 2021

Introduction

The **Breathe Life Into India** initiative is a collaboration between Singapore Red Cross and Pan IIM Alumni, to bring humanitarian relief during the India COVID-19 crisis. The initiative is part of the larger Singapore Red Cross Indian COVID-19 relief effort, which eventually led to the purchase and distribution of ventilators, oxygen concentrators, cylinders, surgical masks, flowmeters, PBS vials, nasal cannulas, hygiene and medical kits, as well as livelihood support and strengthening rural healthcare facilities to handle COVID-19.

The Breathe Life Into India initiative eventually raised more than S\$2 million, supporting oxygen concentrators in 13 States of India.

Total Funds Raised by PIIMA members (including DBS):

\$2,140,605.56

Oxygen Concentrators Distribution Plan in India

Total Committed:

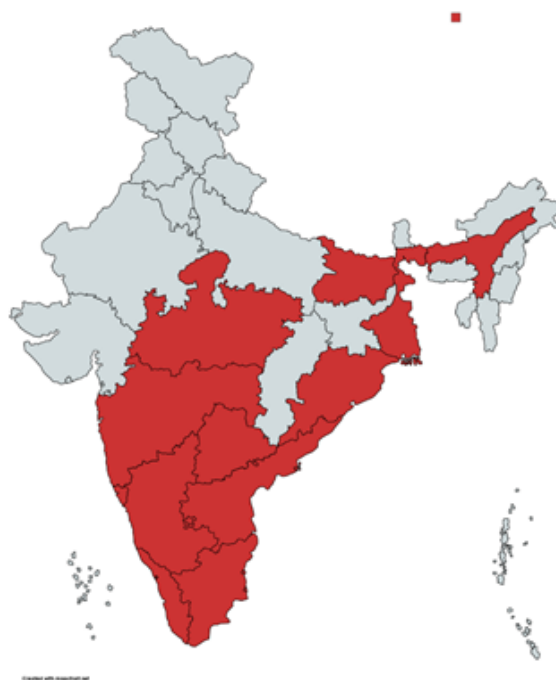

10L Concentrators (PIIMA): 2,098

Distributed till date (PIIMA): 1710
