Thank you for choosing AI Garden Design. This Privacy Policy explains how we gather, manage, protect, and share your personal information when you use our mobile application ("App" or "Platform"). We value your trust and are committed to handling your data responsibly and transparently.

By installing or using the App, you acknowledge and accept the practices described in this Policy. If you do not agree, we kindly ask that you stop using the App and uninstall it from your device.

1. Information We Collect and How It's Used

To provide and improve our services, we may collect the following types of information:

Photos & Media Access

With your permission, the App can access photos from your device's camera or gallery so you can use them within your garden designs. We do not scan your entire photo library or store images on external servers unless explicitly necessary to deliver a specific feature.

Contact Information

If you contact us via email or in-app support, we may store your name and email address strictly to respond to your inquiries and provide assistance.

Support & Feedback Content

Details shared through support messages, bug reports, or feature requests may be retained to improve our services and address recurring concerns.

Device & Technical Data

We may automatically gather technical data such as your device model, operating system, IP address, app version, and time zone. This data helps us optimize performance and maintain app security.

Usage Tracking Technologies

We may employ cookies, SDKs, device identifiers, and analytics tools to understand user behavior, deliver personalized experiences, and improve app functionality. You can manage preferences through your device's privacy settings.

Preferences & Settings

Customizations such as language preferences or selected design features may be stored locally to enhance your experience during future sessions.

Payments & Subscriptions

Any purchases or subscriptions made through the App are processed securely via the Apple App Store. We do not access or store any payment or billing information directly.

2. Data Storage and Retention

We retain personal data only for as long as it's needed to fulfill the purposes outlined in this Policy and to comply with legal obligations. When data is no longer necessary, we delete or anonymize it in a secure manner.

3. Sharing Information with Third Parties

In certain situations, we may share limited data with trusted third-party service providers who help us operate and enhance the App. These may include:

- Cloud hosting services
- Analytics and diagnostics providers
- Customer support platforms
- Marketing partners (with your prior consent)

We may also disclose information if legally obligated to do so, such as in response to lawful requests from authorities.

4. External Links

The App may include links to external websites or services. We are not responsible for the content or privacy policies of those third-party platforms. We recommend reviewing their privacy policies before interacting with them.

5. Data Protection

We implement a range of security measures—technical, administrative, and physical—to safeguard your data. While we strive to protect your information, no digital platform can guarantee absolute security. If any breach or threat is detected, we will inform affected users promptly and take appropriate action.

6. Your Privacy Rights

Depending on your location, you may have the right to:

- Request access to your data
- Correct inaccurate or incomplete personal information
- Request deletion of your data
- Object to or limit how your data is processed
- Withdraw any previously given consent
- Receive a copy of your data in a portable format
- Opt out of promotional messages

To exercise any of these rights, please contact us at: abraamkapanadze@outlook.com

7. Children's Privacy

This App is not intended for children under 13 (or the applicable age of digital consent in your region). We do not knowingly collect information from minors. If we become aware that such data was collected unintentionally, we will promptly delete it.

8. Policy Revisions

We may occasionally update this Privacy Policy to reflect changes in technology, regulations, or our services. When significant updates are made, we will notify users via the App or email. Please check this page periodically to stay informed about how your information is handled.

For any questions or concerns regarding this Privacy Policy or your personal data, feel free to reach out to us at:
