Youth With A Mission, San Jose exists to raise up and equip relevant leaders who will impact and transform the spheres of influence in society. Our vision has always been to reach out to the current generation of young people, those who are getting ready to take their place in society - the new generation of leaders. We want to equip them and disciple them in the ways of God, seeing healing and transformation come to their lives through the power of the cross and then send them forth into society to live by Biblical principles and see a nation walk in the full intentions of God.

Ambassadors primary ministries will include:

- Working with churches and schools
- Children's Ministry
- Bible Distribution (potentially)
- Evangelism
- Working with indigenous people
- Manual Labor

*\*Tentative ministry schedule is below, but it can be subject to change.*

### **Lodging: On Site**

You will be staying in dorm-style housing with beds. You will need to bring twin-size sheets or a sleeping bag, as well as a pillow. There are western-style showers and toilets. There is a washing machine and dryer on site that both take quarters if you need to do laundry. There is a hospital less than 2 miles away in the event of an emergency.

### **Need To Know**
