

Masterdoc for all things about the Stone Ocean anime!!
(reviews of episodes, etc.)

I'm usually impatient, I'll admit, which includes being super impatient for animes — especially super anticipated ones, like this one! Jolyne and the SO cast are also like,, some of my favorite characters, so hoping this turns out well.

11/28/21

The OP is here!! They brought back the 3D artstyle which,, yes.

1/18/21

whoops y'all guess who hasn't watched any of stone ocean.....which is funny b/c i was so hyped for it-
