Climbing a Volcano	Beach Volleyball	Hula Dance	Neck Rolls
			

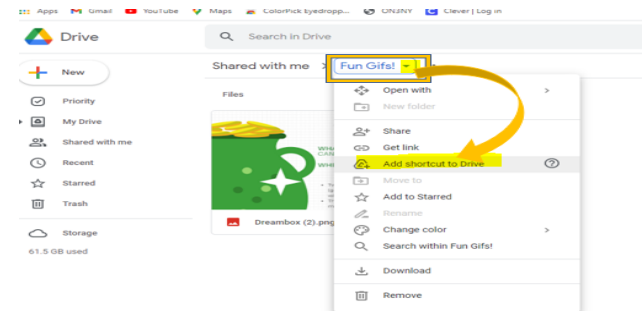

How to Add GIFS to Your Google Drive

1. Click the [link](#) from the website

2. When the folder opens in Google Drive, **click on the triangle** next to the name of the folder.

Scroll down to **add shortcut to the drive**.

3. Move the folder to where you want to store it within your Google Drive. When it is where you want it, **click add shortcut**.
