Blood Type: A+

Skills/Licenses: Land Navigation. Military weapons license, civilian arms license, permit to open carry—a PHD in Orthopedics.

History: Evelyn grew up in an orphanage in Michigan. Most of the people treated her kindly. The day she got adopted was 5/13/2010. She was ten when Herbert came to the orphanage because of a charity event the army was doing. Herbert and Hector cared for her. Hector, being Herbert's brother, adopted her brother as well. They were treated quite well with a couple of ups, but nothing major. She became a doctor after she thought her dad had died, then was contacted by the foundation to become a medic at Site - [REDACTED]. The site she transferred to was Site - [REDACTED]. Then she worked at that site for about three years. Well, working at that site, she earned the codename Night-Hawk, a title given to her not because she was hawk-like, but, she kept thinking that birds were enemies during

night training and operations. Once, even killing a red-tailed hawk after thinking the hostiles were climbing trees. Then, for the final time, she was transferred to Site-█.

<Hates>

CI - "They attempted to capture me unprovoked, not very friendly."
"They are mindlessly torturing again with so many new injuries."
"They have killed so many innocent families who didn't have anything to do with the fighting. Fucking terrorists."

<Dislikes>

D-Class - "I'm a noncombatant. I was helping someone and you sent a knife through my back and then attempted to beat me to death."

<Neutral>

GENSEC - "They do good work. I only know a few of you."

NTF - "They seem like they know what they're doing."

Xi-8 - "Uhhh? No comment." "They are an interesting bunch, very quiet, but they ask specific questions and are very deliberate."

IA - "I have no idea who you are." "I have learned what they do, and they seem very useful and house lots of intelligent people."

Research - "They seem overworked."

Belial - "She is an interesting person, nothing too bad, just have a weird feeling about them."

<Likes>

Rose 'Villain' Skyborn - "She is a good person, and deserving of her position." "I just saw she died, Jesus."

Medical - "It's my home I know I can ask for help if I need it."

Pierce Jackson - "You were nice, just a little quiet." "Just heard you died, sorry."

Nu-7 - "I met one of you, he was nice, just a little quiet, I'm guessing all of you are like that." "You are extremely loyal and it's nice to see at least one branch that doesn't want to defect."

~~Athena~~ Athena Moth - "She seems nice and she is a nice person to hang around." "She was MD for about a year, and then she joined IA. I hope she prospers."

'Sharps' - "Interesting but nice person, and a good leader. Can make questionable decisions at times."

Copperback - "Very strange dude but he seems to know what he's doing so far, nothing bad to be said."

Cain - "He was a good SMO, and then I saw he got ASD recently, good for him. Well deserved." "I haven't seen him for a while. I wonder what happened."

Kai - "You were a very good person. I am sorry to hear that you died."

Pernicious - "He is a great guy and very kind, he has a large past though." "I haven't seen him. I hope he's doing well wherever he is."

Dex - "He's a weird one for sure, but that's normal around here." "They joined the medical team and are still getting injured." "Brain cancer, I wish I could have done something. I should have tried harder rather than letting him die." "Rest easy, wait up for the rest of us."

<Loves>

Eric Smith - "I love you, and I hope you don't forget your sister as you grow."
