84 Bachelor of Science in Management - Minor in Faith-Based Project Management

HBI University

Course Duration: 4 years

Credit Hours: 135

Program Description

The Bachelor of Science in Management with a Minor in Faith-Based Project Management at HBIU University is designed to prepare students to lead and manage faith-based projects within the context of churches, ministries, and Christian non-profits. This program provides students with a strong foundation in management principles, including leadership, strategic planning, team development, and financial management. Students will also gain specialized knowledge in project management techniques for faith-based initiatives and ministries.

The Minor in Faith-Based Project Management focuses on how Christian principles can be applied to the management of projects and ministries. Students will learn to plan, organize, and execute projects such as church development, missions projects, community outreach programs, and faith-based social services. This minor is aimed at students who wish to apply their management skills in a Christian context, ensuring that they can effectively manage projects that promote spiritual growth, community building, and social justice.

Graduates of this program will be equipped to manage projects and ministries in churches, faith-based organizations, non-profits, and Christian businesses.
