- A standard student program includes **six courses** for each semester – all listed on the master agreement. If they wish, students may take seven courses. Please review the current MEA course list to see all elective class options.
- All high school students should make an appointment to meet with Mr. Rubin. Topics discussed will include their courses for next year and the rest of high school, community college courses, and graduation and college entrance requirements. Parents are encouraged to attend along with their student.
