August 14, 2020

Dear District 46 Families,

A huge THANK YOU to all of the families that were able to pick up school supplies and materials last night and this morning. It was wonderful to see so many students and caregivers and we are looking forward to the start of the 2020-2021 school year!

We will be delivering the supplies and materials that did not get picked up.

We appreciate all of the families that have completed their registration information. If you have not completed that process, we ask that you complete all steps as quickly as possible so that all contact information is accurate and we have all student names assigned to a class list. If you know a new family that has not yet registered, please have them contact Joan McAvoy by phone (815-444-4333) or via email ([jmcavoy@dist46.org](mailto:jmcavoy@dist46.org)).

### **PushCoin**

PushCoin is our current Webstore portal and the main method for all financial transactions connected to the school year. The Webstore is a place where families can choose to purchase school items for their children. This includes everything from PE uniforms, course fees, field trips, and school lunch. Information to start or login to your PushCoin account is linked below. Find the items you wish to purchase and add them to your cart (button on the right). Once you pick what you need, click "Checkout" at the top. You can checkout from this screen using funds from your wallet or your credit card or bank account (eCheck). Again, this will be opened next week.

### **Lunches for Next Week**

Beginning Monday, weekly food packs ([lunch menu](#)) will be available for pick-up from 11:00 a.m. to 1:00 p.m. at our food service entrance that is located off the bus circle (there will be signage). The remote learning lunch pick-up schedule is as follows:

- Week 1 food pack (5 meals) - Monday, August 17th pick-up
- Week 2 food pack (5 meals) - Monday, August 24th pick-up
- Week 3 food pack (5 meals) - Monday, August 31st pick-up
- Week 4 food pack (4 meals) - Tuesday, September 8th pick-up
- Week 5 food pack (5 meals) - Monday, September 14th pick-up
- Week 6 food pack (5 meals) - Monday, September 21st pick-up

District 46 students can receive lunch for up to five days per pick-up. **Each week**, you will need to reserve your food pack order via the Webstore (<https://store.dist46.org/>). In the event that you are unable to process your Week 1 food pack order via the Webstore, additional food packs will be available.

At weekly pick-up, **Student names or ID numbers** will need to be provided to ensure meals are appropriately charged to the student's lunch account ([PushCoin Instructions](#)) according to their free, reduced, or paid meal status.

For everyone's health and safety, bagged meals will be placed on a table for drivers to grab and go to limit exposure and adhere to social distancing guidelines.

Information about continued meal distribution will be sent out via email to families, and it will also be posted to the school district websites and social media. Questions about food distribution or nutritional information can be directed to [organiclife@dist46.org](mailto:organiclife@dist46.org).

All the best,
