

Sherri Mitchell in Sacred Instructions, talks about how events steer us through life, reasons for their happening only coming clear years later.

- Being aware of the linkages offers you a greater ability for alignment with The Plan of the Divine
- MOMs - Puzzle pieces I'm putting together - I've been writing and recording pieces as inspired, not knowing how they fit, or even IF or when they would fit, from my human perspective.

Thanks, MOM - for the ride of my life!

One of the biggest changes I ever made - I had the choice to go to Europe to be part of an intentional community, Synergy Hub 1.0 in Rotterdam, The Netherlands - or stay home in my comfortable life. Inspired by MOM and intrigued at the possibilities, I went. We had a "Galactivation Room" there, dedicated to the Mayan Calendar and the Law of Time. It was there I learned my Galactic Signature is Red Resonant Dragon.

When I came back from Europe I traveled south. At a music festival I met **LionFire**, a shaman and healer, classically trained drummer, Reiki Master and crystal skull keeper. I spent a couple of summers going to music festivals and shaman gatherings with him and his wife, **Mary Leonard**, grandmother, shaman and elder. They made me part of the family; I helped move and decorate his big drum. Then, a couple of years ago, we toured Mayan sites in Guatemala, and in October, I'll be meeting them in Mexico for more Mayan ruins. I'll be in Mexico for my 65th birthday and for the final Global Drum Gathering. That's special...

LionFire has the farthest north **Mayan Fire Altar** and follows the **traditional** Mayan mythos; I don't. The calendar of **Jose Arguelles** inspires me -- partly because of my familiarity with it from Rotterdam and the striking archetypes and patterns of more than just numbers, colours and tones. It seems far more complex than the Gene Keys and Human Design and, as with those, you don't have to dive too deep to get benefit from them.

On July 5 **Dennis Vessies** posted a FaceBook Event for a Global Drum Circle. **Jim Petruzzi** stepped up to help and now there are over 4,000 members of the group. They have a map showing where drummers are located. *You* are invited, and your friends and family - everywhere! Please spread the word; let's share **the heartbeat of Mother Earth!**

**White Eagle Medicine Woman:**

- Founder and Executive Director of the Whirling Rainbow Foundation and the Drum For Change Global Network

Video <https://youtu.be/bOuT5HL858o> -- 20+ minutes.

- Received guidance over years to make the Grandmother Drum. A million people have heard it in 150+ countries over the last 20 years.
- The drum is similar to LionFire's - huge!
- She speaks of Divine cycles and timings, and the Mayan Calendar
- She was also inspired by the Mayan Calendar - I was inspired with a *series*!

I've spoken with **Jon Ramer** of the Sine Network about an expansion of that single event into a *series of 4*.

How and what happened:

My best friend, **Joan Hardy**, delights in double numbers and the Mayan calendar -- we played with dates and the decoder and discovered that August 8, 2021 is Kin 237 - Red Electric **Earth**. That's the theme Dennis announced for the **first** drum Circle -- **Earth** and water.

- 8/8 - August 8
- On / during Lion's Gate: July 28 to August 12
- 8 = Strength in the upper arcana of Tarot
  - The Lions Gate is aligned with the heart center and embodies the Leo traits of royalty, bravery, power, and personal expression.
  - occurs when the Earth and the Sirius star system are aligned. During this lunation, the moon will align with the sun in Leo and herald in a fresh lunar cycle, bringing our passions to the forefront and supercharging our ability to start fresh (It's also a New Moon - time for a new intention!)
- Magnetic = bringing us together
- Electric = via the internet, Zooming into the future

After more playing with numbers and the decoder a pattern was revealed clearly indicating an opportunity to do more... and MOM's talked to me about what's to be done. Knowing that there are many people drumming and many people wondering why people are drumming. Once is good; four times is fabulous! We should shout it from the rooftops and down on the streets. We can drum on drums, or on our legs or hearts. You can, if you can, stand barefoot and stomp. Play your pipe and beat your drum...

**Second** beat: Sept 9 = 9/9 in the "Wavespell" (cycle of 13 days) of **Lunar Moon** 18

#### Kin 9: Red Solar Moon

I pulse in order to purify  
Realizing flow  
I seal the process of universal water  
With the solar tone of intention  
I am guided by the power of life force

Kin 9: Red **Solar Moon**

**To honour Sister/Mother/Grandmother Moon**, on this day designated with both a lunar and solar moon, we drum, aware of the energies that flow through the darkness, the fertile shadow that gives rise to growth and the power of intention to move us. How strong is a root or a shoot that seeks for the sky?

**Third** beat of Our Heart: 10/10 - October 10 - Electric Moon 21

#### Kin 40: Yellow Magnetic Sun

I unify in order to enlighten  
Attracting life  
I seal the matrix of universal fire  
With the magnetic tone of purpose  
I am guided by my own power doubled

Kin 40: Yellow Magnetic **Sun**

Our third Global Drum Circle is a festival of Energy/Light, **inspired by the Sun** which defines Time. As with the 8/8 Earth Gathering, now is both:

- Magnetic = bringing us together and
- Electric = via the internet, Zooming into the future

and, through unconditional Love inspiring and unifying us, we are led onward to our next beat...

The Fourth beat of Our Heart is at 11:11 on 11/11 Self-Existing Moon Wavespell  
November 11 - Remembrance Day -

**Kin 72: Yellow Resonant Human**

I channel in order to influence  
Inspiring wisdom  
I seal the process of free will  
With the resonant tone of attunement  
I am guided by the power of flowering  
I am a galactic activation portal enter me.

The One We Are accepts all We have been, and are...  
Calling Our selves together to share a Name,  
We unite Our Will. Through resonance and rhythm,  
And with a shout of Joy, We burst our bonds  
with the words: **We Are!**  
The One We Are - All of us...  
“GodSon AllOfUs” as MOM suggested —  
And whatever *you* choose to call Us.  
(A rose by any other name would smell as sweet!)

What is a Self-Existing Human?

Self-existing refers to being sovereign and able to depend on oneself for everything - but humans are a community-minded species, so the way I see it, A Self-Existing Human is secure in being a unique element of a community within which there is safety, meaningful contribution, abundance and open-hearted care for each other. Joy and peace. Challenge and forgiveness.

*WE ARE ONE!*
