

State of Land Territory act. 1

Merging of Main and SSS

Introduction:

Due to the inactivity and irrelevancy of both shelter states, we are merging both states to form one super state.

Article I. The merging

Main and SSS are going to be merged to form one super state known as the "Land Territory Division" (LTD).

Article II. Cities

Cabin would be merged with Center to form one united city in Land due to the irrelevance of Cabin.

Ratification:

This territorial merging of both cities and states shall come in effect tomorrow of June 20, 2024.

Signed by His Diarchial Highness, Rey.
