

Privacy Policy

This Privacy Policy explains how the Company ("Company", "we" or "us") collects, uses, and discloses information about you when you access or use our websites, mobile application, and other online products and services (collectively, the "Services"), and when you contact our customer service team, engage with us on social media, or otherwise interact with us.

Before using the Services or submitting any Personal Information to Company, please review this Privacy Policy carefully and contact us if you have any questions. By using the Services, you expressly consent to the Company's collection, use, maintenance and disclosure of your Personal Information in accordance with the practices described in this Privacy Policy. If you do not agree to this Privacy Policy, please do not access the Site or otherwise use the Service.

Personal information we collect

The categories of personal information we collect depend on how you use our Services. We collect information that you provide to us, information we obtain automatically when you use our Services, and information from other sources such as third-party services and organizations, as described below.

Information you provide to us

You provide us information about yourself when you register for and/or use the Service. The information you may provide includes name, age, gender, data on physical characteristics (including height, weight, areas for improvement), fitness level, food preferences, food and exercises you log, email address.

Information collected automatically

We may collect personal information automatically when you use our Services:

- Automatic data collection.
We may collect certain information automatically when you use our Services, such as your Internet protocol (IP) address, user settings, MAC address, cookie identifiers, mobile carrier, mobile advertising and other unique identifiers, browser or device information, general location information (including approximate location derived from IP address and time zone), and Internet service provider.
- HealthKit information.

We may collect iOS Health app and/or Healthkit data (including date of birth, heart rate, height, sex, weight and workouts) (collectively “Healthkit Information”), which data is covered by this Privacy Policy, if you choose to provide it. Users are not required to share this information and can choose not to provide this additional information by not entering it when asked.

- Information collected by cookies and similar tracking technologies. We use different technologies to collect information, including cookies and web beacons.

Information we collect from other sources

We also obtain information about you from other sources, including transaction information from third-party app stores you use to install our app or purchase a subscription, and name and contact information from third-party calendar services. Additionally, if you create or log into your account through a social media service account, we will have access to certain information from that account, such as your name and other account information, in accordance with the authorization procedures set by that social media service. Finally, we may obtain information about you from publicly available sources, marketing and advertising partners, consumer research platforms, and/or business contact databases.

How we use your information

We may use Information for the following purposes:

1. Provide Our Services

We use your information to fulfill our contract with you and provide you with our Services, such as:

- Managing your information and accounts.
- Providing access to certain areas, functionalities, and features of our Services.
- Using Healthkit Information to help generate dynamic plans personalized for you (note: Healthkit information is not used for marketing purposes or shared with third parties for marketing).
- Answering requests for customer or technical support;
- Communicating with you about your account, activities on our Services, and policy changes.

2. Administrative purposes

We use your information for various administrative purposes, such as:

- Pursuing our legitimate interests such as direct marketing, research and development (including marketing research), network and information security, and fraud prevention.
- Detecting security incidents, protecting against malicious, deceptive, fraudulent or illegal activity, and prosecuting those responsible for that activity.
- Measuring interest and engagement in our Services.
- Short-term, transient use, such as contextual customization of ads.
- Improving, upgrading or enhancing our Services.
- Developing new products and Services.
- Ensuring internal quality control and safety.
- Authenticating and verifying individual identities.
- Debugging to identify and repair errors with our Services.
- Auditing relating to interactions, transactions and other compliance activities;
- Enforcing our agreements and policies.
- Complying with our legal obligations.

3. Marketing and advertising our products and services

We may use personal information to tailor and provide you with content and advertisements. Some of the ways we market to you may include email campaigns, custom audiences advertising, and “interest-based” or “personalized advertising,” including through cross-device tracking.

We will not, however, use or disclose to third parties data gathered in the health and fitness context for advertising, marketing, or other use-based data mining purposes.

If you have any questions about our marketing practices or if you would like to opt out of the use of your personal information for marketing purposes, you may contact us at any time as set forth below.

4. Other purposes

We also use your information for other purposes as requested by.

- Consent.
We may use personal information for other purposes that are clearly disclosed to you at the time you provide personal information or with your consent.
- De-identified and aggregated information.
We may use personal information and other information about you to create de-identified and/or aggregated information, such as de-identified demographic information, de-identified location information, information about the device from which you access our Services, or other analyses we create.

- Share content with friends.

Our Services may offer various tools and functionalities. For example, we may allow you to provide information about your friends through our referral services. Our referral services may allow you to forward or share certain content with a friend, such as an email inviting your friend to use our Services.

How we disclose your information

We do not sell your Personal Information. In certain circumstances we disclose your information to third parties for a variety of business purposes, including to provide our Services, to protect us or others, or in the event of a major business transaction such as a merger, sale, or asset transfer, as described below.

Vendors and Service Providers: To assist us in meeting business operations needs and to perform certain services and functions, we may share Personal Information with vendors and service providers. This includes service providers that provide us with IT support, hosting, payment processing, customer service, and related services. Pursuant to our instructions, these parties will access, process, or store Personal Data in the course of performing their duties to us. We take commercially reasonable steps to ensure our service providers adhere to the security standards we apply to your Personal Data.

Business Transfers: If we are involved in a merger, acquisition, financing due diligence, reorganization, bankruptcy, receivership, sale of all or a portion of our assets, or transition of service to another provider (collectively a “Transaction”), your Personal Data and other information may be shared in the diligence process with counterparties and others assisting with the Transaction and transferred to a successor or affiliate as part of that Transaction along with other assets.

Other Users: Certain user profile information, including your name, location, and any video or image content that such user has uploaded to the Service, may be displayed to other users to facilitate user interaction within the Service or address your request for our Service. Your account privacy settings may allow you to limit the other users who can see the Personal Data in your user profile and/or what information in your user profile is visible to others. Please remember that any content you upload to your public user profile, along with any Personal Data or content that you voluntarily disclose online in a manner other users can view (on discussion boards, blogs, in messages and chat areas, etc.) becomes publicly available, and can be collected and used by anyone. Your user name may also be displayed to other users if and when you send messages or comments or upload images or videos through the Service and other users can contact you through messages and comments.

Health Apps: Through the Service you can share your Health Data with other health Apps (We will not share Health Data with Advertising Partners (defined below) under any circumstances.

Advertising Partners: We may share your personal information with third-party advertising partners. These third-party advertising partners may set Technologies and other tracking tools on our Services to collect information regarding your activities and your device (e.g., your IP address, cookie identifiers, page(s) visited, location, time of day). These advertising partners may use this information (and similar information collected from other services) for purposes of delivering personalized advertisements to you when you visit digital properties within their networks. This practice is commonly referred to as “interest-based advertising” or “personalized advertising.” We do not use or disclose to third parties data gathered in the health and fitness context for advertising, marketing, or other use-based data mining purposes.

How you can exercise your privacy rights

To be in control of your personal data, you have the following rights:

- Accessing / reviewing / updating / correcting your personal data. You have the right to review, edit, or change the personal data that you had previously provided to us in the profile section of the App. If you would like to receive a copy of data we process, please send us a data access request.
- Deleting your personal data. You can request erasure of your personal data. When you request deletion of your personal data, we will use reasonable efforts to honor your request. In some cases we may be legally required to keep some of the data for a certain time; in such an event, we will fulfill your request after we have complied with our obligations.
- The right to data portability. If you wish to receive your personal data in a machine-readable format, you can do so by requesting a copy of your personal data as described above. The data will be made available to you in the .json file or other file format.

Security of your information

We take steps to ensure that your information is treated securely and in accordance with this Privacy Policy. Unfortunately, no system is 100% secure, and we cannot ensure or warrant the security of any information you provide to us. We have taken appropriate safeguards to require that your personal information will remain protected and require our third-party service providers and partners to have appropriate safeguards as well.

By using our Services or providing personal information to us, you agree that we may communicate with you electronically regarding security, privacy, and administrative issues relating to your use of our Services. If we learn of a security system's breach, we may attempt to notify you electronically by posting a notice on our Services, by mail or by sending an email to you.

Retention of personal information

We keep Personal Information for as long as reasonably necessary for the purposes described in this Privacy Policy, while we have a business need to do so, whichever is longer.

Changes to our Privacy Policy

We may change this Privacy Policy from time to time. If we make changes, we will notify you by revising the date at the top of the policy. We encourage you to review the Privacy Policy whenever you access the Services or otherwise interact with us to stay informed about our information practices and the choices available to you. You understand and agree that you will be deemed to have accepted the updated Privacy Policy if you continue to use our Services after the new Privacy Policy takes effect.
