

Dreamsie's About Me!

Hi, I'm Dreamsie! I'm a 25+ year old streamer based in the USA! I have wanted to become a content creator since I was 12 years old. I became interested in the VTubing sphere in 2021 and have spent years working on creating my brand, design, and gathering things for content creation. I posted my first tiktok in October 2024 and began streaming in November 2024! My VTuber Debut is still a work in progress, but I'm hoping to have it all ready for Spring 2025! I hope you'll join this sweet shapeshifters journey!
