Guide to set up FCSExpress site license

Please follow the procedures in sequence.

1. Register for De Novo Software account. Your university email is required. https://denovosoftware.com/register/
2. Email XiaoxuanFan@som.umaryland.edu, include your lab name, whether you are our facility user and how many licenses your lab already has.
3. Register for site license: https://www.denovosoftware.com/RegisterForSiteLicense/?SignupCode=UMGCCC+FCSS
4. You will receive the approval email within one day.
5. Download at: https://denovosoftware.com/full-access/download-landing/
6. Launch the installer. Choose “Stand Alone” when prompted.
7. Run FCS Express 7. Follow the wizard:
    - 1st option “Automatically through this wizard, I already have a De Novo Software account”.
    - Enter your De Novo Software Account credentials.
    - Choose configuration file for your Flow Cytometry site license.
    - Complete the wizard and FCS Express 7 will launch.
