Thursday June 2, 6PM

**Reception, Jack and Peg Wyant's Home,
[1201 Edgecliff Place Cincinnati, OH 45206](#)**

Notes/details from our hosts:

- The welcome reception and dinner will be at our residence, #1143 on the 14th floor of Edgecliff Pointe, which is located at 1201 Edgecliff Place in Walnut Hills.
- A number of the guests will be investors in QCA via the 361-OHIO TECHNOLOGY FUND SPV
- Invitations for the evening are limited, in part to help ensure some amount of meaningful dialogue with our visitors.
- Some (maybe many) guests are potential long term QCA investors, supporters, and sources of deal flow. And, they are leaders within other initiatives that have social and economic societal benefits (environment, human trafficking, education, philanthropy, and other)
- Parking: Upon arrival, pull up to the entry gate and it will go up, magic, and skip using the intercom. Rather than parking in the guest lot, continue to or past the front door to park on that upper level, close to the door
- Last, don't let #1143 confuse you into thinking we live on the 11th floor. Go to 14. Turn left off the elevator, enter the first open door, look for people that you recognize
