

Sarush Commission Info

Welcome everyone!

To commission me, you can either send me a DM on Twitter (<http://twitter.com/sarushwrites>) or an E-Mail (Sarushwrites@gmail.com) to discuss your commission request!

Commissions and Pricing

You can send me a pairing and a prompt (Scenario, Song, Art etc.) or a general idea of your choice which I will then write as a One-Shot (or multi chaptered Fic if requested) after discussion.

Please let me know what length you would like and what your budget is so that the commission won't exceed it. The more info you can give me in regards to your prompt/request, the better!

Future commissions can be connected in the original one-shot universe and added as a loosely tied series if requested.

Commissions are only considered accepted after a discussion where the ship, topic, and plot (if any) have been discussed and agreed on by both parties.

Payment will be made in full upfront through PayPal (sarushwrites@gmail.com).

Please do not transfer any amount until the above items have been decided. I will start working on it as soon as I have received the payment in full.

If the fic is not delivered in the agreed amount of time, the payment received will be fully refunded on the account used to make the transfer.

My Prices are the following:

Per 100 Words: 1,50 €

Minimum words: 500

Maximum words: 10k per Chapter

Publishing + Terms and Condition

Commissioned fics would typically be completed and published within two to three weeks and all Fics will be posted on my AO3 without exception.

There can also be a Twitter announcement/ post about the release of the Fic if requested. There will be no mentions of it being a paid commission on Ao3 to not violate its terms and conditions and if requested, the requester may also remain anonymous.

I reserve the right to reject any commission. If I do decide to reject a commission, then it's most likely because I don't think that I'll be able to do the idea justice.
