

JOIN FUTURE LEADERS IN ACTION'S BOARD OF DIRECTORS

Future Leaders in Action is seeking to recruit new members to join our Board of Directors! Nominations/self-nominations are now being accepted through **October 1, 2023**.

MISSION

[Future Leaders in Action \(FLIA\)](#) is committed to cultivating the next generation of social sector leaders and strengthening youth-oriented nonprofit organizations through a fellowship program that offers historically underrepresented professionals leadership development opportunities.

CONTEXT

Founded in 2015 by former Executive Director and current Board Chair [Kirsten Abel](#), FLIA's vision is to cultivate the next generation of social sector leadership, regardless of socioeconomic background. Since our founding, we have placed over 80 fellows with partner organizations around the country to lead projects which have impacted tens of thousands of youth. This summer alone, our fellows' work is impacting over 5,000 young people. You can learn more about our Summer 2023 cohort, their placements, and projects [here](#).
