

MTM's Fursuit commission rules and TOS

Before commissioning me I appreciate it if you would take a read through these terms of service to know how I do things! And when I am commissioned I will ask my client to sign a shorter version of this document to protect me and you from any misunderstandings.

I advise that with new experience and information terms may change or be updated.

Contact info, Always feel free to dm me on my socials but here are other ways to contact me!

General conditions

- I work in a toony to semi realistic fursuit style, using foam cast bases, 3d printed PLA or TPU material. The prices for each vary and are on my price sheet. (TPU is unavailable at the moment)
- Please come with a detailed reference sheet of all parts you want made, this makes it far easier for me as a maker.
- Approximate deadlines 5-10 months, please keep in mind this is approximate as life and work may be more chaotic and take longer or even shorter.
- Payment is accepted through Zelle, Venmo, cashapp and paypal.
- I send updates on my progress personally to my client every week or so depending on the progress i am making, all progress will also be publicly available on my trello. (if you want your work on a private trello page please let me know,)
- Shipping, please let me know that country you are from as shipping may be expensive or impossible from the USA at the moment.
- I only work with people 18+, thank you.
- Small repairs are offered free for 2 years within the conditions the buyer pays shipping fees and if needed more supplies.
- Always feel free to reach out for updates or even after purchase to problem solve if something comes up!
- And finally you must agree to all terms stated in this document

ALLERGEN WARNING

I live with cats and dogs at the moment, so please let me know if you are allergic and we can chat about what I can do to help!

TOS

READ BEFORE ANY COMMISSION!!!

- $\frac{1}{2}$ to $\frac{1}{3}$ of the total payment must be provided as down payment before any physical work is started, depending on the cost of the commission I will tell you if it is half or a third.
- Once fur is cut out refunds are not available and design changes will be charged.
- Shipping fees are on the buyer.
- Commissions under \$300usd must be paid in full, no payment plans.
- I am not responsible with what happens in shipping, but I can try to help with personal discretion.
- The down payment is fully non refundable
- Payment plans are non refundable unless under dire circumstances at my discretion.
- New terms may be added on occasion.
