***Students who take college courses concurrent with their high school courses shall be granted the same number of CSF points as if taken at the high school. If a college course would be considered a LIST I course at your school, the student may use it for LIST I; if it would be a LIST II course at your school, it may be used for LIST II. College courses do not receive any additional points unless designated as honors by the college.**

***Summer school courses may NEVER count for semester membership. Students are expected to take the necessary number of courses each year to earn CSF membership.**
