

### [PBS Frontline Inside N. Korea](#)

1. Describe Jiro Ishimaru's network of reporters that films North Korea. What is he attempting to show the world?
2. Why do the North Korean people have very little information of the outside world?
3. What does North Korean state television tell the citizens about their country? Why can't you buy anything at Pyongyang's Department Store Number 1?
4. How are North Koreans indoctrinated to hate America?
5. How does Kim Jong Un's regime use fear to keep the people in line?
6. What is Jeong Kwang-il smuggling into North Korea? What happened to him as a political prisoner?
7. What are some South Koreans sending to the North via balloons? Why are they doing this?
8. How did North Korea threaten the United States in recent years?
9. Describe Kim Jong Un's youth and ascension to power.
10. What has Kim Jong Un done with the North Korean military since his father's death? What did he do to his own uncle?
11. Do you think the majority of people in North Korea blindly follow Kim Jong Un or are they afraid to speak out? Write your opinion.
