

Key Elements of the Teaching and Learning Environment – School

Utilizing implementation data, perception data, and current policies and practices, analyze the Key Elements of your teaching and learning environment. Identify in the chart below any processes, practices or conditions the school will focus its resources and efforts upon in order to produce the desired changes and improvement. Note that each element identified for focus should be addressed in the strategies of the Comprehensive School Improvement Plan (CSIP).

Key Elements	Is this an area of focus? Yes/No	Specific Processes, Practices or Conditions Identified for Focus
KCWP 1: Design and Deploy Standards Does our school continually assess, review, and revise school curricula to support the assurance that all students have the knowledge, skills, and dispositions for future success?	Yes	School administrative meetings, Instructional Coaches meetings, District administrative/curriculum meetings, School instructional MTSS meetings, School Leadership team meetings, School department meetings, PLC's, Professional development opportunities
KCWP 2: Design and Deliver Instruction Does our instructional program include consistent implementation of evidence-based instructional practices essential for academic, behavioral, and social-emotional competencies that are aligned to Kentucky Academic Standards and current research?	Yes	Classroom observations by school and district staff, Daily walkthroughs by school administrative team and instructional coaches, Professional development trainings and webinars
KCWP 3: Design and Deliver Assessment Literacy Does our school have a comprehensive, balanced assessment system that provides a variety of evidence to support educational decision making and includes four primary assessment purposes: formative, diagnostic, interim/benchmark, and summative?	Yes	Formative and summative assessments, Common assessments in core content areas
KCWP 4: Review, Analyze and Apply Data Does our school communicate and implement a sustainable system for reviewing, analyzing, and applying data results to ensure a uniform way to elicit,	Yes	PLC's, Department meetings, School Instructional MTSS meetings, Instructional coaches meeting with staff monthly and weekly with administration team
