Miracle on 34th Street

NOVEMBER 13, 14, & 15

"Believe in the magic of Christmas... and in miracles."

Nothing says holiday magic like this classic tale. Watch as a little girl's faith in Santa Claus and the spirit of Christmas are put to the test—and restored—when a kind man claims to be Kris Kringle himself. This production will capture the nostalgic charm of the beloved movie, while inspiring hope and reminding us all that magic happens when you believe.

MAMMA MIA!

April 23-25

"The music, the fun, the magic of summer—it's all here!"

Dance through life with the ultimate feel-good musical! Set on a beautiful Greek island, *Mamma Mia!* follows a young bride-to-be as she seeks to discover which of three men is her father, all while the infectious music of ABBA fills the air. Get ready for an explosion of music, laughter, and love as we take you on a ride of love, friendship, and the kind of happiness that only a summer night can bring.

AN IMPORTANT NOTE ABOUT MUSICALS: *Some of you sing well (or very well). Some do not sing well yet. Most leading roles in musicals (and some supporting roles) require solo singing. More than 95% of people improve their singing with instruction and practice. There are many fine voice teachers in the area. Start now! Ambitious people will work on their voices now. Some people will have the leading roles, folks... will it be you? Find a choir and join it. Dancing also improves with practice. Take a class, or just practice at home. There's a lot of dancing in musicals. Websites: The internet has a lot on theatre: how and where, who, etc.!!! Use it!!*
