VISION

Our vision is a healthy, resilient watershed where people, wildlife and habitat thrive.

MISSION

The Oldman Watershed Council (OWC) is a collaborative forum for all voices, working for watershed health through education, action and stewardship.

GOALS

Our five long-term overarching goals are:

1. We understand our watershed.
2. Residents are well informed and actively engaged.
3. Basin stakeholders have defined the desired outcomes for the Oldman Watershed that will form the basis for the Integrated Watershed Management Plan (IWMP).
4. The Oldman Watershed Council and stakeholders put into action the capacity and commitment to achieve defined outcomes.
5. Practices that are beneficial to the health and function of the watershed are adopted.
