

Hello yes thank you for viewing my sources 👁️👁️ i tried my best to link back to originals but even google searching by image and yielded so few results on so many of these including reverse image searching sobbing

Golden moon with face - [x](#) - adobe stock

Swans - [x](#) - pinterest

Woman on tree branch and little girl on moon - [x](#) - pinterest

Moon face creeping behind tree branch (weirdo) - [x](#) (dni i had to screenshot it from youtube)

Star and moon with face - [x](#)

Astral fish - [x](#)

Star decorations - [x](#) and [x](#)

Theatre curtains - [x](#)

Forest - unknown source, I looked everywhere while searching google via image but the best I can offer is this was a screenshot a friend sent me from an unknown source. I just really liked the image and it fit in really well 😭 i even asked her and she has no clue 😭

All images were put together and edited by me! I made this moodboard in clip studio paint!
