

Student Spotlight Room 109

Each week, one of the kiddos in the class will get to be our “Student Spotlight”. This is an honor that all the children love!

The student of the week will create an “All about me” poster at home. This poster can include pictures of family, pets, vacations, awards, etc. It could include favorites of your child as well as

activities that your child likes to do. Your first grader is the creator, so the sky's the limit. It can be as simple or fancy as they like.

Posters are due on the day listed below. Be creative and have fun!

Below are a few examples of posters that families have made in the past.

Thank you in advance for helping your child prepare their “Student Spotlight” materials.

Please see the schedule at the bottom for your child’s Student Spotlight Week.
