True Fellowship #52
1035 Emory Street
San Jose, CA 95126

Let it be known to all concerned, that we, the members of True Fellowship Lodge #52, formally present Brother Ben Shuler with his badge of merit.

Brother Ben has always displayed a high degree of volunteerism, responsibility, and generosity. He is definitely a pillar of our fraternity. He has, throughout many years of membership, been an active, dedicated and diligent Brother.

His tenacity and commitment to the I.O.O.F. and Rebekahs has kept his lodges open through the rewarding years as well as the lean, unappreciated years. Ben Shuler works hard when there is work to be done, and when there isn't work to be done, it's because he did it before anyone else realized it needed to happen. In addition to his official duties as financial secretary, he's for many years been the head chef for our socials, the lead handyman for our building, and in everything he does, he always wears the biggest smile. His many years of membership represent thousands of hours of service, sacrifice and support.

His experienced service has maintained both the fellowship and the assets of True Fellowship.

It is with great affection and deep appreciation that we acknowledge Ben Shuler with this merit jewel. We hope he wears it with well-earned pride. He is a jewel in our treasury.

Sincerely,
Mason Wolf, Noble Grand

Debbie Wolf, Vice Grand

And the members of True Fellowship #52

Motion Passed by the members of True Fellowship on October 18, 2023
