Information on RahRah! Fundraiser

Dear Firebird Football Fans and Supporters,

We have taken our gold card fundraiser and put it on a mobile app called RahRah!.

This gives your more value locally at numerous local Devils Lake merchants, but also can be used across the state and also nationwide.

Our team and players have a membership drive goal of 500 members this year. The players will be contacting supporters, but we want to share this opportunity to join on your own.

Please watch this video <https://vimeo.com/414262135> and click on our team link to join Firebird Football and save a ton of money.

When you become a member please enter in a players name when asked or if you don't know one just add FIREBIRD FOOTBALL and we will assign it to one of our players.

Thanks,
Coach Lambrecht
