Mindfulness

Positive emotions

Good experiences are wonderful because we feel good. Take a moment to think about a time when you experienced something good happening. In your homework books, write about this positive event in your life and reflect on the emotions that you experienced at the time.

Camp!

With your parents/carers, look through the school camp slideshow which can be found on the Year 4 website. Write down any questions you may have.

Reminder: Please ask your parents to fill out the camp forms which are due on the 30th of May.
