

After-School Activities-Spring 2023

Please complete a registration for each student you wish to enroll for after-school activities. Billing for after-school clubs will be processed through Alma, our parent portal. Please be sure to complete your registrations online, no later than August 15th. Please contact Amy Jones at ajones@parkmaitland.com if you have any questions.

Be mindful of the selections you make for your child to ensure all students have the opportunity to participate. There is a minimum of 6 students needed to offer the club. There are individual class size limits per club. You will not be able to register for the club if the club has exceeded its class size limits. Please make other selections. All after-school clubs and activities are charged at one base rate. In the event, the activity or club is canceled for a day/session; rates are not prorated for canceled sessions.

Please check your club's dates thoroughly, not all dates are club meeting days.

Advanced Musical Theatre-AMT (Middle School)

Archery Club- Grades 1st-8th (This club is run by an outside vendor)

After-school archery offers a remarkable avenue for children to acquire and enhance their archery proficiencies. Attendees will receive comprehensive instruction in the core principles of archery, encompassing aiming techniques, shooting methodologies, and strategies to augment accuracy. This program fosters camaraderie among like-minded peers. It is worth noting that the instructor has certifications from both USA Archery and the US Center for SafeSport, ensuring a safe and professional learning environment. Ultimately, this archery program provides an exceptional after-school pursuit, combining skill acquisition, recreational enjoyment, and personal growth.

Culinary Kids-all ages (This club is run by an outside vendor)

The only STEM Certified Culinary Program worldwide. We are Chef Educators with a passion for food and teaching.

We strive to share our knowledge and passion for food, chemistry, and math with the next generation.

Who says science and math aren't fun.

Our goal is to help your child expand their culinary pallet, learn about different cultures, history, and healthy eating through food to become self-sufficient in the kitchen, all while helping them build a safe, and informed lifestyle. We help reinforce Math and Science lessons learned in their daily school classes. We also help develop a well-rounded student by introducing them to unique ingredients, fruits, and vegetables used in different world cuisines. Our program helps students develop a broader palate and overall better eating habits

Chess Wizard's- Grades 3rd-7th (A basic prep knowledge of chess pieces, board set-up, and game play required)

Experience the magic of CHESS, without the STRESS! Let's get back to what we do best, and re-discover the magic of this great game of strategy and imagination! Which house are you in? Let's find out. I'm a Hufflepuff! This session is limited to 14 players, with priority given to former grade 3 - 6 Chess Club members. All players must bring a snack each chess day, arrive with a smile, and must exhibit great sportsmanship as well as an attitude of camaraderie and support for fellow players. Does this sound like YOU? Then join today! The club will take place in Room 19 from 3:25 to 4:25. If you are a 3rd or 4th grade Chess Club member, you may attend Parker's Gang until it is time for our club to begin. If you are in grades 5 to 6, come to the club immediately after your last class of the day. Limit:14

3rd & 4th graders will go to Parker's Pals to wait until 3:25.

Creative Quills-Grades 5th-7th

If you have a knack for storytelling, an eagerness to dive into imaginary worlds, and a desire to bring your ideas to life, then this is the club for you! Through a series of interactive and engaging activities and exercises, we'll embark on a journey to building our own stories. Students will explore the fundamentals of storytelling, including character development, plot structure, creating setting, and writing dialogue. They will learn to build suspense, create vivid descriptions, and develop well-rounded characters that leap off the page! Students will also participate in our very own version of NaNoWriMo (National Novel Writing Month) by beginning to craft their own novels with the ideas that they have generated during our weekly meetings.

Drawing for Fashion Club-Grades 4th,5th, 6th, 7th, and 8th

Dive into the world of fashion and clothing design. Park Maitland School offers designers and artists the opportunity to expand their creative horizons with costumes, clothing, shoes, makeup design, and much more. Throughout the semester students will develop designs, build outfits and accessories, and foster a community with their peers. This club will hone their spatial awareness as they make the 2D into 3D. Each semester students have the opportunity to challenge their creativity, gain knowledge of historical fashion trends, and learn sewing skills.

Giggle Factory- Grades K5- 4th

Created and Hosted by

Ms. Darby Ballard and Ms. Darcy Rios

Giggle Factory is a club that focuses on creativity and FUN!! It is for students in K-5 through 4th grade. Students will receive an official Giggle Factory shirt that can be worn on T-shirt Fridays. Oh, and there'll also be lots of smiles, laughter, . . . and giggles!

Students will engage in hands-on activities that will strengthen their imagination, self-expression, creative problem-solving skills, and more! We create in a wide variety of mediums ... all in a safe and non-competitive environment. There is never a dull moment in Giggle Factory!

1st, 2nd, 3rd, and 4th graders will gather in the first grade circle area and then Ms. Ballard will walk these grades over to K4C. K-5s will need to go to After Care or another club until Giggle Factory starts. Ms. Rios will pick up the K-5s and walk them directly to K4C. At 3:35, all students will be at the dismissal area ready to be picked up.

If you have any questions, please feel free to email dballard@parkmaitland.org

Hope to see ya there!! (Keep giggling!!!)

Giles Barnes Soccer School-K5-

Six-week sessions

Current Orlando Pride Coach, Former English Premier League and MLS Soccer player who represented our city's own Orlando City Soccer Club, Giles Barnes and his team are back offering a 6-week program, helping to develop and improve the fundamentals within the beautiful game of soccer.

In the program the children will be given the opportunity to express themselves with the soccer ball, developing the correct footwork and skills to make them more confident on the field with an emphasis on ball manipulation, quality touches in small areas, combined with speed and agility with challenges and games providing a fun learning environment with prizes and special guest appearances from current and former professional soccer players who will coach and be available for QnA.

Keeping the mind and body healthy and active, there is no better way to do that than with the distraction of fun with a ball at your feet. Minimum: 20 students

Session 3-Oct. 30, Nov. 6, 13, 27

Guitar Star and Group Guitar-Guitar Stars and Group Guitar for all grades.

(This club is run by an outside vendor)

Guitar Star is a one-of-a-kind class for K4 and K5. The children will be introduced to the guitar, rhythm, singing, and music theory in a group setting. This simple approach will improve your child's fine motor skills, social interactions, confidence, and stage presence. Each week we work on different skills, including using the microphone and performing for the audience. Guitars are provided. (Maximum 10 students)

Group Guitar classes are semi-private guitar lessons for grades 1-7. The students will be introduced to strumming, chords, notes, rhythm, tempo, and reading measures in a collaborative setting. Learning to use the microphone and performing is encouraged. Guitars are provided.

(Maximum 5 students per session)

Provide instruction for beginner guitar, including, identifying notes, playing chords, reading measures, and performing with a microphone

Maryann Michael Studios-Grades 2nd-8th (This club is run by an outside vendor)

Our performing dance team is designed to challenge students both physically and creatively. Maryann Michael Studios aim to foster and refine their performance abilities. While our main emphasis is on a multitude of international dance styles, we will also be combining an exciting array of other dance forms. This includes but is not limited to Jazz, Hip Hop, Contemporary, and Ballet. We provide a platform for students to explore their versatility and express themselves through a diverse range of styles.

As part of our performing dance team, students will have the opportunity to participate in a variety of performances throughout the year, including showcases, community events, and maybe even competitions.

At Maryann Michael Studios, we believe in fostering a positive and supportive team environment. Our performing dance team is more than just a group of dancers; it's a community of passionate individuals who inspire and encourage each other to grow and achieve their goals. Our team members develop strong friendships and lasting memories as they work together to create unforgettable performances. Whether you're a seasoned dancer or just starting out, our dance performance team is the perfect place to grow and thrive. Join the dance team for Maryann Michael Studios and discover the joy and fulfillment of being part of a dynamic, diverse, and supportive dance community.

Improve technical proficiency: The dance team will work to develop their technical skills in various dance styles.

Enhance performance abilities: The team will focus on developing their stage presence, musicality, and expression to create powerful and engaging performances.

Learn teamwork and collaboration: As part of the dance team, students will learn the importance of working together to achieve a common goal. They will develop strong communication skills and learn to support and encourage one another.

Participate in performances: The dance team will have the opportunity to participate in a variety of performances. They will work to create polished and professional performances that showcase their talent and hard work.

Build confidence and self-esteem: Through their participation in the dance team, students will build confidence and self-esteem as they develop their skills and perform in front of audiences. They will learn to push themselves outside of their comfort zones and achieve their goals.

Music & Movement Across the Globe-K4-1st

Music and movement are essential parts of a well-rounded curriculum for young children. They foster creativity, self-expression, social skills, and physical development. In this activity, we will explore music and movement from different cultures around the world. We will learn about the instruments, rhythms, dances, and songs that reflect the diversity and richness of human expression. Our time together will help us appreciate the beauty and value of music and movement as universal forms of communication and celebration!

1st-5th Cost:

1 Day Per Week: \$360

2 Days Per Week: \$480

Thespians Group

Junior Thespians-

This year, we are expanding the role of Junior Thespians to act officially as Park Maitland's drama club. Junior Thespians will be the shaping force behind the theatrical arts at Park Maitland. Thespians will make decisions about show selection, hold support positions on productions including everything from crew to concessions and ushering, and create and participate in special events for other grade levels. Also, there will still be the component of competing in Thespian festivals, in performance or technical events, but this will not be required to be a part of Thespians. All Thespians will be officially inducted into the International Festival Society whether they choose to compete or not.

Cost to join Thespians

Regular member- \$125, Competing Member \$225

Competing Member Thespians plan to compete at festivals (this includes performance and technical events, even if you are offering crew support to our one-act).

* There may be some other smaller fees associated with competing that will be individual to each child depending on how many events they enter, etc.

** **Competing members must be available for district festival November 30- Dec. 2 and state festival February 22-24th 2024.**

All members will attend the following meetings that are every two weeks on Friday afternoons from 3:15-4:15 during the fall. In the spring, we will pivot to meeting once a month:

Friday- 8/11, 8/25, 9/1, 9/15, 9/29, 10/13, 10/27, 12/8, 1/12, 2/2, 3/29, 4/19, 5/20 (Monday)

Competing members will meet EVERY Friday from 3:15-4:15 in the fall and through state competition held February 22-24, 2024. They will also meet on the following other dates from 3:15-5:00: **Monday**-10/30, 11/13, 11/27, 2-5, 2/12, 2/20, 2/21

Some additional rehearsals may be added as we approach performance time but these will be handled on a case by case basis.

Cost: Basic-\$125

Induction:\$225

Yoga-Grades K4-4th (This club is run by an outside vendor)

During Park Maitland's Kids Yoga Program students will:

- learn + practice yoga postures and age-appropriate breathing, visualization, and meditation techniques to support health and a positive outlook
- learn + practice simple ways to handle stressful or challenging experiences at school and home
- learn + practice how to connect to the peaceful power within
- learn + play games, activities, and songs to HAVE FUN while fostering physical, mental/emotional, and social well-being. A minimum of 6 students is needed to create a class. Class maximum of 10 students.
