

Terms of Service

● General

- i am not obligated to accept your commission.
- i will not take refunds once the commission is completed. refunds can be discussed if the commission is still in progress and depending on how much work has already been done.
- i **will** draw: feral and anthropomorphic animals, humans and humanoids, moderate gore, real people
- i **won't** draw: NSFW or fetish art, offensive imagery, nudity, detailed gore, armor or mecha
 - characters with more complex designs may cost extra.
- commissions will usually take 1 week-1 month to complete, if i need more time i will contact you to let you know. feel free to ask for updates if you'd like as well.
- i will send you the sketch of your commission for you to approve/ask to make changes before i go forward with completing the rest of the commission. you can let me know if you'd like more process WIPs for the rest of the commission such as lineart and coloring WIPs.
- ask for any additions or changes you'd like. bigger changes (ex. i send a sketch and you ask me to completely change the pose of the character) will cost extra.
 - if you need a drawing by a specific deadline please make sure to let me know.

● Use

- backing out of paying/offering for any reason other than an emergency, or ghosting will result in a block.
- once an adoptable is bought, you'll receive an unwatermarked image of the design with a color palette and any extras that come with it or you bought.
