

Pennsbury High School 2022-2023 Instant Decision Day Information

What is Instant Decision Day (IDD)?

IDD is an opportunity for students, who meet the criteria and deadlines, to have a one-on-one interview with an admission counselor from a participating college or university. During this one-on-one interview, students will need to provide information (see attached sheet) and answer questions. At the end of the interview, the admission counselor will either offer admission to their college or university OR the admission counselor will provide the student with tips on how they can increase their chances in the regular decision application process. **This year, the one-on-one interviews will be conducted in-person at PHS West.**
