

Sympathy For Tigerstar

A Warriors Multi-Animator Project

1. Please allow me to introduce myself

I'm a man of wealth and taste

Tigerclaw leaps into frame, mouthing these words.

2. I've been around for a long long years

Stole many a girl's soul to waste

Goldenflower runs up to greet him and he licks her ear after mouthing these words.

3. Pleased to meet you hope you guessed my name

But what's puzzling you is the nature of my game

Tigerclaw mouths the first line, eying Redtail as Redtail walks past him.

4. Well I saw you today at the reception

A glass of wine in your hand

Tigerclaw is looking up at Bluestar and Redtail sitting on the high rock. At “A glass...” show a closeup of Tigerstar’s eyes with a reflection of Redtail in them.

5. I knew I would meet my connection

Well at your feet is this footloose man

But you can't always get what you want

Bluestar says the first part to Redtail, who smiles. Tigerclaw mouths “Well at your feet is this footloose man” in jealousy and walks away. At “But you can’t...” skip to Tigerclaw singing this while killing Redtail.

6. No, you can't always get what you want

You can't always get what you want

But if you try sometimes

Well you just might find you get what you need

Lionheart is made deputy as Tigerclaw sings. Bluestar sings the second “You can’t always get what you want.” Lionheart and Bluestar sing the last parts while Tigerclaw runs into the woods with an evil grin.

7. Let me please introduce myself

I'm a man of wealth and taste

There is a timeskip, Tigerclaw says these words to the rogue cats that were once allied with Brokentail.

8. I'll lay traps for troubadours

Who get killed if they come your way

Show the rogues attacking Thunderclan camp, then Fireheart attacking Tigerclaw to protect Bluestar.

9. So if you meet me

Have some courtesy

Have some sympathy and some taste

Tigerclaw sings this while he is being exiled. End with him disappearing into the woods, still singing.

10. Use all your well-learned politesse

Or I'll lay your soul to waste

Tigerclaw sings this as he and the rogues attack the Thunderclan Patrol, killing Runningwind.

11. Love sister

It's just a kiss away

It's just a kiss away

Tigerstar smiles as he watches Blackfoot kill Stonefur.

12. Love Sister

It's just a kiss away

It's just a kiss away

Show Tigerstar leading Scourge and the Bloodclan cats into the forest.

13. Love Sister (Pleased to meet you)

It's just a kiss away It's just a kiss away

It's just a kiss away

Show Tigerstar trying to attack Scourge, who dodges him. Then show Scourge slicing open Tigerstar and focus on Tigerstar's body as he dies.

14. Hey

Baby, what's my name?

Scourge sings this as he walks away from Tigerstar's body, grinning.
