

Billedbehandling i Google Docs

Susanne Alnor

The screenshot shows the Google Docs web interface. The browser address bar displays the URL: `docs.google.com/document/d/1_IzAkejc3-g4u9qPVGAYelXug6JjVaUjlyPkoZfuTPM/edit`. The document title is "Unavngivet dokument". The toolbar includes icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, decrease indent, increase indent, link, unlink, insert image, and a "Billedindstillinger" (Image settings) menu. A large blue arrow points from the browser address bar down to the "Insert image" icon in the toolbar. Another blue arrow points from the top-left corner of the document grid up to the same "Insert image" icon. A daisy image is shown being inserted into the document, with a blue border and handles for resizing. A vertical toolbar on the right side of the image shows options for adding comments, reactions, and a link.

The screenshot shows the "Billedindstillinger" (Image settings) dialog box. The "Størrelse og rotation" (Size and rotation) tab is selected. The "Størrelse" (Size) section shows the dimensions of the image: Bredde (Width) is 15.92 cm and Højde (Height) is 10.62 cm. The "Rotation" section is currently empty.

The screenshot shows the "Størrelse og rotation" (Size and rotation) settings panel. The "Størrelse" (Size) section is expanded, showing the dimensions of the image: Bredde (Width) is 15.92 cm and Højde (Height) is 10.62 cm. The "Rotation" section is currently empty.
