

More Disney Info....

December 5th:

AM: This morning, as early as 7:30 AM will be a pick up for the ADD ON Production Dance rehearsal which will be part of the Showcase. ADA is permitted to bring one dance to the showcase, as of right now, but this is not a rehearsal for that piece. The ADA showcase dance will be taught at the studio in August/September and may be a current piece that we re-work for everyone to be a part of. The ADD ON Production Dance would be an opening number for dancers from all over which we would also teach at ADA. This morning rehearsal is dedicated to this rehearsal and will run until about 1PM. Parents are on their own until then. If you join this ADD ON Production the costume is the parade costume.

***Note: If doing the ADD ON you would want to arrive Thursday evening.**

PM: VIP Party!! The bus picks up ONLY Dance the Magic families-NO other guests. You do not use your Disney ticket for this. The night is full of Christmas fun, rides with little to no lines, snacks, ice cream, characters, DJ, and lots of fun! This past year it was from 10:30pm-1:00am with bus picking up 1/2hr before the party and rides back to the hotel begin one hour after.

December 6th: Showcase Day

ADA will perform our piece and the dancers in the ADD ON will also do that piece. It is sometimes held at Hollywood Studios or the Theater in Animal Kingdom. Pick up is approximately 3:30 for the first show. They normally have to have two shows: One at 6:30 and one at 8:30.

December 7th: Parade Day

Pick up is very early at approximately 7:30. Dancers will have parade practice, breakfast, and photo shoot. The parade is between 1:20-2:20 and is a 20 minute route throughout the park and Main Street. Each studio will have a designated pick up at the end. **Tip: That day is usually the Very Merry Christmas Party so they suggest you do not use it as Park Hop day.*

Upgrades/Booking Meals, etc: After the final deadline you will receive a link to your My Disney Exp App. The Magic Kingdom and Showcase will be booked and then you can book all others. 60 days prior to the trip you will be able to book the dining.

Rehearsal Info:

Rehearsals for ADD On will be 4-6 Weeks before the trip.

Rehearsals for the Parade and the ADA Showcase Dance will begin August/September when we receive the parade choreo.
