She has been **putting minors at SEVERE risk by allowing them in spaces with actual pedophiles**, along with being friends with pedophiles and zoophiles.

This isn't about furry porn discourse, this is a significant issue and threat to those who associate with her

Jane is a 19 year old furry who is in the sparkledog scene within Seattle, Washington.

Jane has been **hosting public events** for furries and ravers alike.

Her events are called **PLUR Picnics** and are hosted at public parks around Seattle. These events do not have age restrictions, anyone of any age can come.

A common park visited is **Cal Anderson Park. 1635 11th Ave, Seattle, WA 98122**

The issue arises because of the fact one of her friends, named “Fwucky” is heavily associated with hosting and visiting these meetups. Fwucky is a pro contact pedophile and zoophile. Fwucky has done art for the advertisements and fliers for the PLUR picnics.

though everything may come off as innocent and harmless, here is some significantly concerning things to be aware of

before i show images with evidence, i will show symbols and flags with their associated meaning:

Boy Lover, Little Boy Lover symbol.

FEDERAL BUREAU OF INVESTIGATION
INTELLIGENCE BULLETIN
Cyber Division, Innocent Images National Initiative

31 January 2007

(U) Symbols and Logos Used by Pedophiles to Identify Sexual Preferences

(U//FOUO) This intelligence bulletin addresses Crimes Against Children Standing Intelligence Requirements Set contained in Q-FBI-2200-005-06, HRWC CAC-VI.A.5.

(U//LES) Pedophiles, to include those who sexually abuse children as well as those who produce, distribute, and trade child pornography, are using various types of identification logos or symbols to recognize one another and distinguish their sexual preferences. To specifically indicate the pedophile's gender preference, members of pedophilic organizations encourage the use of descriptions such as "boylove", "girllove", and "childlove."¹ These symbols have been etched into rings and formed into pendants, and have also been found imprinted on coins.

(U) The BoyLove logo (BLogo) is a small blue spiral-shaped triangle surrounded by a larger triangle, whereby the small triangle represents a small boy and the larger triangle represents an adult man.² A variation of the BLogo is the Little Boy Lover logo (LBLogo), which also embodies a small spiral-shaped triangle within a larger triangle; however, the corners of the LBLogo are rounded to resemble a scribbling by a young child.³ Images of the BLogo and LBLogo symbols are depicted below.

(U) The ChildLove logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.⁴

(U//LES) FBI investigations in several cities have uncovered several symbols used by pedophiles to proclaim their attraction to children. After a seizure of a subject's computer in connection with an Innocent Images case in the Jacksonville Division, a Computer Analysis Response Team forensic examiner came across an unfamiliar symbol that was integrated into a Web site banner named "ATBOYS.COM, where the "A" in "ATBOYS" was actually the BoyLove symbol and written as follows: TBOYS.com. It was further determined that "ATBOYS" is an acronym for Attracted To Boys.⁵ These pedophilia symbols also appear on Web sites such as one of the banners advertised on www.boylover.net, shown below.⁶

Fwucky was a part of this website called "Oddballs online". Oddballs online was made specifically for paraphiles of all contact stances with no age restriction. On the website, there was frequent advocating for pro contact sexual interactions between people and animals, and adults and children.

Here is some of Fwucky's artwork posted on their Oddballs online account:

Fwucky has their telegram channel listed in their bio, here is some of their art that came from their telegram channel:

Fwucky also spreads pedophile and zoophile propaganda and leaves grafitti with those subjects around Seattle. Fwucky praises the sighting of other zoophile grafitti found in public.

i didnt put this zeta up, but im glad to see others besides mine! very good

Fwucky is also known for their “pedo punk” zine, which they often give out to anyone no matter what age they are. Fwucky has been banned from a convention called Cutie Fest because of the subject matter of the materials they were giving out to people, including minors.

inside of the “Pedo Punk” zine has statements of Fwucky’s love for kids. it expresses their personal experience with sexual and incestuous encounters as a child, along with expressing the desire for sexual freedom towards children.

They are advocating for “Youth Liberation”. In this context, Youth Liberation is a dog whistle for giving children full sexual autonomy and contact with adults, including pedophiles.

I love kids! I love youth!
I love the power and the
beauty inside every young
mind, the spirit, the desire
for freedom, they dare
to dream of the impossible
of wondrous worlds completely
unlike this one. You hate
kids? You find them "annoying".
Children should be seen, not
heard, huh? Fuck you. How
could you hate something so

I think the first time I had
sex was when I
sucked my brother's cock, - ue
I was 8 or 9, and he was 7.
He was so tiny and soft in
my mouth. I wonder if he remem-
bers. I'm sorry. Or am I?

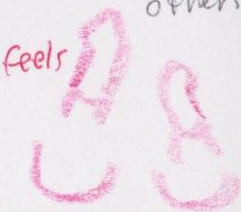

"meeh, heh heh"

Whenever we were alone, we'd pull down our pants and touch each other.

Everything feels so blurry now. Nothing feels as warm as when I was a kid exploring freely, fully, happily.

"Let's push 'em together!"

Isn't this nice? I think so too

beautiful? How can you hate someone so fucking helpless, broken, beaten, enslaved, someone who can't even cry out for help because they don't know how to? Because no one will listen? When was the last time you spoke to someone younger than 18? Or 15? Or 12? When was the last time you asked them how they were doing? How's your fucking life? You don't fucking care!

You'd rather see us strung up
like chickens, crucified, hollowed
out, mocked, destroyed, you want
to crush us into tiny fragments so
small that no one will ever see
or hear them, over the roar of your
self-applause and the slurping of
your tongue on your oppressor's
boot.

Well, you lost. You
lost before you even
started trying. You will
never make me as hollow
as you are, you will never
Admit that you're a child, too

get what's inside me. You fucking
lose. Fuck you. You will never experience
the endless, insatiable, heart-rendering
Love

Even if you get me, you won't get it

"Waw... i love queer art so much! there are so many cool artists with cool stories... so many zines, comics, so much to look at and buy... queer consumerism has never been better."

"it feels good knowing i'm supporting local queers, no matter our differences."

"heey... i could make my own zine! i can write about my own queer-sexual experiences and share them with my friends and other queers! what a great idea! it's all about freedom of expression, baby!"

Rosco works hard and creates a zine of his own, creatively expressing the highs and lows of being a gay cub lover in modern society. It's cute and fun, horny and thought-provoking.

"I'm anxious about sharing something so personal, but it's too beautiful not to! I'm so proud of myself!"

Rosco shares his zine with all of his friends, family, and even animals on the street. He visits playgrounds and gives zines to unsuspecting, innocent, cute

They love the cute art and they resonate with the heart-felt message of love and happiness.

"okay, but all of this is about Fwucky."

yes, it does have a lot of focus on them, but Jane and Tello/Fwucky are IRL friends. Jane has a large public following and hosts events with Tello, people aren't aware of their association. Jane is openly friends with pedophiles, and many people don't know the extent of Fwucky's behavior. Jane enables pedophiles by allowing them "safe spaces" within her events, and is willingly putting minors in danger by hosting an event with pro contact pedophiles.

update: fwucky claims 4lung was there with them "giving out zines at a playground". this association has been disproven. Fwucky just wants to gather any and all big names they can to get themselves more attention.

...

i've been keeping this 2 myself because i didn't want this situation to get any bigger, but it's clearly out of my control at this point

any post going around about "pedophile meetups" that i organized is completely false. the person who that document is about was my friend for a brief period of time before i knew they were a creep. they drew art for a single flyer of one of my picnics, and only attended about 4 of them total. my picnics were literally just me making an event out of going to the park and making kandi with friends every sunday. nobody underage ever showed up or was involved. it was just me and maybe 10 other random seattle furries hanging out. Genuinely, this was the most innocuous shit ever. I have no idea how this story has become twisted like this but atp i need to defend myself. The document has literally zero actual evidence of anything occurring . I could get any one of my friends in Seattle to corroborate what I'm saying rn.

all i'll say also is that you guys should be more fucking aware of how false information like this is spread in whisper networks because everyone is too scared to have a real conversation. please grow up and speak to someone if you have an issue with them.

sweetpuppyangel 10h

...

I have literally given these people everything they could want or need. I socially isolated myself for weeks, I stopped going to events, I stopped making new friends, I avoided places they frequented on campus. all to make them more comfortable. It doesn't matter. It is literally never enough to appease ppl like this. THE CRUELTY IS THE POINT

also, don't call yourself a nudist and fucking bond with me over Being Nudists if you're going to act threatened by me taking my shirt off in front of you to change. Going around telling people it made you so uncomfortable when you didn't speak a word to me about it at any point is massively immature. Roflmao. Yall are such fake fake little activists and fake little "freaks". You're terrified of yourselves.

sweetpuppyangel 10h

...

**sorry to be airing this
all out on here but i
have been the bigger
person for months and
it has only made the
entire situation keep
escalating. i have no
recourse but to just
bare my heart and
hope ppl will listen 🙏**

sweetpuppyangel 8h ...

and yes, i agree, posting kink stuff like that on a public platform like twitter was a bad idea. that's why i stopped doing it and moved on from that part of my life independently far before any of this ever happened. i didn't bring this up to anyone, i didn't want it to be a part of my life at school because it's just not. i'm not that 🙄

i know we're all young, but guys, . We are all YOUNG. I'm not even done being a teenager yet. Of course I've made rash and reactionary decisions. I should have the right to move on from things that **did not harm anybody** on my own time, instead of being constantly unable to heal and grow up because others just can't let go.

I've spent a lot of my life in absolute defense mode from callouts. It's a hellish way to live. I wanted to come to college to move on from that and just hang out with normal people, but I didn't get the right to determine that for myself, not because of my actions, but because of fiction, kink, And things that were being completely made up about me.

I'll say it again- I have done nothing to harm anyone. And everyone involved is

Conclusion:

Jane is associating and allowing pro contact pedophiles and zoophiles to help run her public events where minors are allowed to attend.

The "PLUR" in "PLUR picnics" is ironic. it is not PLUR to put minors safety in danger and enable pedophiles to preach their desire to abuse. If you are in Seattle, please be careful and be weary of these people. Spread the word to prevent pedophilia from being normalized.
