4 platinums = 4 months

17 golds = $17 \text{ weeks}/4.3435 = 3.91$ months

23 Christmas Community Awards = $23/4.3435 = 5.3$ months.

4 months + 3.91 months + 5.3 months = 13.21 months/12 months = 1.1 years of free premium membership

Rough calculation on Coins spent on the gliding:

4 platinums x 1800 = 7200

17 golds x 500 = 8500

100 silvers x 103 = 10300

500 coins community awards: 19 x 500 = 9500

700 coins community awards: 3 x 700 = 2100

1200 coins community awards: 1 x 1200 = 1200

295 Golds = 295 weeks / 52 weeks = 5.67 years

154 Christmas Community Awards = 154 weeks / 52 weeks = 2.96 years

500 coins Christmas Awards: 121 x 500 = 60,500

700 coins Christmas Awards: 22 x 700 = 15,400

1200 coins Christmas Awards: 11 x 1200 = 13,200
