

One day, random date, she found out that I wasn't gay
One day, random date, she found out that I wasn't gay

(Drums)

2 seconds later

I HOPE YOU KNOW WHAT I'M TALKIN ABOUT

(Guitar)

Later on she hated me cuz I was apparently acting weird
I don't even know but I was giving her signs
This caught on to me and some stupid things happened

(Guitar goes silent)

Those things are confidential, I can't really talk about them

Alter ego enters

OH CMON WE ALL KNOW YOU CAN

Alter ego exits

(Guitar comes back)

Dawg, you already have access to my brain
Ya should know why I can't reveal it!

Ahem, anyways back to the story
She took advantage of those things
Due to which we argued a lot
But we then settled down into friends

(Guitar chilling out)

She vibed with my feelings
I vibed with her's
But this is where...

(Guitar getting saucy)

Alter ego enters

I FELT LOST

IN WHAT TO DO

FEEL HAPPY OR FEEL SAD

Alter ego exits

The answer is coming later
But man I wish it was a bit better

Alter ego enters

I DON'T CARE BOUT YOUR PRIVACY

EXCEPT YOUR NAME, FACE AND CHERRIES

Alter ego exits

(Guitar goes silent and drums intensify)
WOAH WOAH, ain't that a bit too far
I mean yea, we both have got...

HURT, HURT
I FEEL SO LOST
IN WHAT TO DO
AND ALSO IN YOU

(Guitar comes back and drums mellow back to normal)
Alright time to get back to the story
We were both vibin with our feelings

But after so long
I couldn't hold it in
After so long
Made sure you were knowing that

I still liked you...
WOOAAAAAHHHHH
I STILL LIKED YOU...
WOOAAAAAHHHHH
I EVEN APOLOGIZED

Just in case of inconvenience
I even apologized
But luckily you were chill about it
Although you didn't like me back

(Guitar chilling out)
Discussed about it, felt good
Laughed about it, woohoo
Man I wish it lasted longer

(Guitar getting saucy)

Alter ego enters
I FELT LOST
IN WHAT TO DO
FEEL HAPPY OR FEEL SAD
Alter ego exits

The answer is coming later
But man I wish it was better

Alter ego enters

Man I wanna beg right now
For her "something" I keep wanting
Alter ego exits

Ok dude but we're mature
I mean yea we both have got...

HURT, HURT
I FEEL SO LOST
IN WHAT TO DO
AND ALSO IN YOU

(Guitar goes silent and drums intensify)
Imma give a summary real quick
There's this girl I liked weeeheee
Somehow she found out about it
Then a downfall arrived
Stupid things happened
Then we argued
We sorted it out and became friends
I confessed about STILL liking her
Then I thought she was chill about it
Well she said that she was
Then suddenly she didn't wanna be friends anymore
And then I agreed...

Alter ego enters
NOW THE LISTENERS FINALLY KNOW WHY WE FEEL SO
Alter ego exits

(Guitar gets saucy)
LOST LOST LOST
IN WHAT TO DO AND YOU

Man I wish the result was better

HURT, HURT
I FEEL SO LOST
IN WHAT TO DO
AND ALSO IN YOU

(Random harmony joins in)
HURT, HURT
I FEEL SO LOST
IN WHAT TO DO
AND ALSO IN YOU
(Instruments fade out)

(Dialogues)

Main: Man I wish it would've been better

Alter ego: Fr man, but according to you we gotta act mature and just deal with it...
