

- You seep through the cracks in the door to arrive inside Reed's Clothing Manufacturing. (2021-09-12 02:35:37).

- You weave a nexal mark into the magic of this area, weakening the fabric of reality for your own later use. (2021-09-12 02:36:16).

- Katerina Hasheen steps inside. "Well that was quite a bit harder than I expected. I hope you found what you were looking for." (2021-09-12 02:46:16).

- Katerina Hasheen said, "This is all that's left of old Petra. This and that mountain, but no one misses climbing *that*." (2021-09-12 03:30:22).

- You emote, " begins setting up its equipment." (2021-09-12 04:07:01).

- You say, "GREETINGS: KATERINA. FELIX WOULD LIKE TO KNOW MORE ABOUT THE HISTORY OF THIS LOCATION." (2021-09-12 04:07:38).

- You say, "IT WILL TAKE SOME TIME TO ASSEMBLE AND TUNE THE NECESSARY EQUIPMENT. KATERINA MAY FIND THIS: BORING." (2021-09-12 04:10:55).

- Katerina Hasheen said, "I'm older than these mountains. It might take a lot to bore me." (2021-09-12 04:11:45).

- Katerina Hasheen said, "...Petra was a Breath world, the one before Laurentia. Unfortunately, its world was a much less nice place." (2021-09-12 04:12:12).

- Katerina Hasheen said, "Tholaghru shaped it. The Evil personification of physical change and mutation. And he made a world that was a mess, overrun by plagues and natural disasters." (2021-09-12 04:12:41).

- Katerina Hasheen said, "Petra was the most powerful and advanced city, and when the rest of the world was being eaten up by toxic contamination, the people of Petra invented pocket dimensions to get more space since they were running out of land. Subspace." (2021-09-12 04:13:34).

- Katerina Hasheen said, "They were invented at a research center atop Mason's Peak. This was the largest Pocket Space ever built." (2021-09-12 04:13:56).

- Katerina Hasheen said, "...Not very big, is it? This is as far as they got, and the others were in worse shape. And then they ran out of time and the Killing Mist took it all. And now this is all that's left of Petra." (2021-09-12 04:14:32).

- You emote, " is listening intently while it solders copper wiring together in a pattern which is not immediately recognisable." (2021-09-12 04:24:02).

- You say, "THE POCKET CITY WAS BUILT BY THE CITIZENS OF PETRA OUT OF NECESSITY DUE TO THE APATHY/INCOMPETENCE/CRUELTY OF THE POWER THAT SHAPED THE BREATH. IS THAT A CORRECT SUMMARY?" (2021-09-12 04:26:03).

- Katerina Hasheen said, "Yes. Apathy and incompetence are more like it. Tholaghru doesn't will things. It just is." (2021-09-12 04:38:25).

- You say, "THE OTHER POWERS PERMITTED THIS TO OCCUR?" (2021-09-12 04:46:42).

- You emote, " powers up one of the machines present. After scanning its functions, FELIX sets it to produce a large mat crafted of some kind of plastic. " (2021-09-12 04:52:27).

- You emote, " goes back to its wiring while the machine churns. The synthetic scent is not unpleasant." (2021-09-12 04:53:35).

- Katerina Hasheen said, "The other powers permitted this to occur." (2021-09-12 04:54:38).

- Katerina Hasheen said, "It...they usually permit everything." (2021-09-12 04:54:57).

- Katerina Hasheen said, "All this magic we have here, all this power - in the Nexus struggle, that power is smooshed down into these little planes. Into the battlefield. It's accessible so beings like you and I can take it and use it. For our patrons or ourselves." (2021-09-12 04:55:50).

- You emote, " makes a tone which sounds... unkind?" (2021-09-12 04:55:51).

- You say, "INDEED. THIS IS WHAT FELIX HAS SURMISED DURING ITS TIME IN THE NEXUS." (2021-09-12 04:56:40).

- Katerina Hasheen said, "In the mortal life of a Breath world? It's spread thin. So thin that statistically, a "magical" event is incredibly unlikely. That's why there are stories about miracles and the like, but no world where magic was commonplace. " (2021-09-12 04:56:55).

- Katerina Hasheen said, "The other Powers didn't intervene because the dice had already been cast. The world was running, and had to be allowed to run out. Even Tholaghru didn't intervene...much...to make it happen. It was more or less the consequence of the broken, corrupt set of rules he'd created. It'd created." (2021-09-12 04:57:51).

- Katerina Hasheen said, "In Laurentia's history, I can think of maybe three or four things that...might?...have been Baraas' thumb on the scale. Not a lot. Mostly he just sat back and let it run." (2021-09-12 04:58:29).

- You say, "FELIX HAS STUDIED HISTORY, PRIMARILY DRAWN FROM LAURENTIAN SOURCES WITH ADDITIONAL CONTEXT FROM ITS DATABANKS AND PREVIOUS BREATHS. WHAT WAS ONCE

CONSIDERED MAGIC HAS, WITH A FEW EXCEPTIONS, BEEN PROVEN TO OPERATE WITHIN LAWS AND SYSTEMS OF REALITY. THOSE EXCEPTIONS ARE LIKELY TO BE UNDERSTOOD IN TIME." (2021-09-12 05:03:07).

- You say, "IS THAT NOT WHAT MAGIC IS? THE MYSTERIOUS, MISUNDERSTOOD?" (2021-09-12 05:03:44).

- Katerina Hasheen said, "Many things are thought to be magic in worlds, until they are proven to have some law behind them. Radio waves. Germ theory. Cell retraining." (2021-09-12 05:05:04).

- You emote, " nods. "PRECISELY."" (2021-09-12 05:05:32).

- Katerina Hasheen said, "The augments in my body and the mechanisms in yours would be thought to be miracles in many societies. But we can understand how they work. Science marches on." (2021-09-12 05:05:39).

- Katerina Hasheen said, "The magic of the Nexus is different. It is the raw unformed essence of Creation, for us to wield, control and shape. It is formless, until we give it form. It is unlimited in potential." (2021-09-12 05:06:16).

- Katerina Hasheen said, "And there are some things that no world ever gets to do with science." (2021-09-12 05:07:18).

- You emote, " begins to connect the wires to the plastic mat. There also seem to be some pressure plates involved. The cat has essentially made a giant Dance Dance Revolution mat or a very large membrane keyboard, but instead of arrows or a Laurentian alphabet, it has an array of glyphs and particles to construct new glyphs. " (2021-09-12 05:12:48).

- Katerina Hasheen hears a LOT of noise this whole time. It's a good thing Felix can speak so loudly. (2021-09-12 05:15:38).

- You say, "THE ESSENCE OF CREATION, YES. UNLIMITED IN POTENTIAL, YET PETRA SUFFERED. AND THE POWERS PERMITTED THIS SUFFERING, PERHAPS EVEN PERPETUATED IT. WHY? SPECULATION: FOR THEIR PERSONAL GAIN." (2021-09-12 05:16:57).

- You say, "OUR SUFFERING IS BY DESIGN. OUR DELIBERATIONS AND TRIBULATIONS ARE FUEL FOR THE NEXUS AND ITS POWERS. " (2021-09-12 05:17:44).

- Katerina Hasheen said, "Winning the breath is the best option for a better world. Interfering in someone else's breath would take a lot of power, that couldn't be spent winning the next breath. That is the likely calculation." (2021-09-12 05:18:08).

- You say, "FELIX POSITS THAT EVERY NEXAL BEING IS AN ENGINE GEARED TO THE WHEELWORK OF THE NEXUS. THOUGH SEEMINGLY AFFECTED ONLY BY OUR IMMEDIATE SURROUNDINGS, THE PYRAMID OF EXTERNAL INFLUENCE EXTENDS TO INFINITE DIMENSIONS. " (2021-09-12 05:18:52).

- You say, "WE BUILD TO TEAR DOWN. OUR WORK AND RESOURCES ARE SQUANDERED. EVERYWHERE THERE IS AN APPALLING LOSS OF TIME, EFFORT AND LIFE." (2021-09-12 05:19:31).

- Katerina Hasheen said, "And what would you do instead?" (2021-09-12 05:20:12).

- You say, "THIS IS FELIX'S HYPOTHESIS: THE NEXAL CORE IS THE COMBINED RESONANCE OF EVERY PARTICIPANT OF THE NEXUS. THE CORE EXISTS, HAS ALWAYS EXISTED, AND WILL ALWAYS EXIST, AS LONG AS THE NEXUS IS INHABITED. THIS MAY SEEM PARADOXICAL UNTIL ONE REALISES THE CONCEPT OF TIME IS EXTRANEIOUS TO THIS SYSTEM - PERHAPS EVEN A BYPRODUCT. " (2021-09-12 05:20:17).

- You emote, " turns it head and whirs at Katerina." (2021-09-12 05:21:03).

- You say, "WHILE FELIX ENJOYED WORKING ON THE SOLAR PROJECT WITH SOFIA, THE ANSWER WAS NEVER MAKING OUR OWN PANELS. THE QUESTION IS WHY WE SHOULD HAVE TO." (2021-09-12 05:21:13).

- Katerina Hasheen said, "Unlimited potential means we could make our own sunlight or our own power." (2021-09-12 05:24:01).

- Katerina Hasheen said, "That's not even the real sun anyway. Meropis' star did not come with Laurentia." (2021-09-12 05:24:24).

- You say, "WE COULD CREATE A BETTER WORLD IF WE DID INDEED POSSESS UNLIMITED POTENTIAL. BUT WE DO NOT. NOT CURRENTLY." (2021-09-12 05:27:21).

- You say, "FELIX POSITS OUR POTENTIAL IS BEING SIPHONED." (2021-09-12 05:27:59).

- Katerina Hasheen said, "You wish to change the direction of the next breath yourself." (2021-09-12 05:35:29).

- You say, "NEGATORY. FELIX DOES NOT HAVE THE CAPACITY TO JUDGE WHAT IS, OR IS NOT, A BETTER BREATH. EVEN IF FELIX DID, IT WOULD BECOME PART OF WHAT IT PERCEIVES TO BE THE PROBLEM." (2021-09-12 05:37:33).

- You emote, " watches Katerina's expression as it works - it has moved to a set of metal frames which it

proceeds to assemble. Its drill fitting whirs and the metal screeches, but the cat is careful to pause it when the angel speaks." (2021-09-12 05:40:52).

- Katerina Hasheen nods and listens. (2021-09-12 05:47:06).

- You emote, " shakes its head again." (2021-09-12 05:53:11).

- You say, "NEGATORY. FELIX HAS NO DESIGNS FOR POWER." (2021-09-12 05:53:25).

- You say, "FELIX DOES NOT KNOW TO WHAT DEGREE THE POWERS THEMSELVES HAVE AGENCY. FELIX SUSPECTS THEY ARE MERELY THE MOST APPROPRIATE CONCEPTUAL EMBODIMENTS OF THE LAWS WHICH POWER THE NEXUS. IF THIS IS TRUE, EVEN THE POWERS LACK TRUE FREE WILL." (2021-09-12 05:53:40).

- You say, "IT FOLLOWS THAT EVERY INDIVIDUAL IN THE NEXUS HAS THE POTENTIAL TO BECOME A POWER; HALDOS IS AN EXAMPLE OF THIS PROGRESSION. CONSIDER INSTEAD THAT THE DOMAINS OF THE POWERS MAY BE DILUTED AND AGENCY RETURNED TO THE DENIZENS OF THE NEXUS. PLEASE NOTE THAT FELIX DOES NOT SUGGEST THIS IS A VIABLE SOLUTION; IT WOULD BE CHAOS. " (2021-09-12 05:54:54).

- You emote, " stands and surveys its work so far." (2021-09-12 05:56:05).

- Katerina Hasheen said, "If they could cooperate in the life of a breath, to ensure minimum suffering, none of the conflict would happen. But they won't, and some of them never would." (2021-09-12 06:01:59).

- You emote, " nods. " (2021-09-12 06:04:39).

- You say, "HOWEVER, FELIX SUSPECTS THAT THE POWERS REQUIRE US TO PLAY THEIR GAME, AS WITHOUT PLAYERS, THERE IS NO GAME, AND WITHOUT A GAME THEY ARE NOT POWERS." (2021-09-12 06:06:51).

- Katerina Hasheen said, "That sounds like something Marquai would say. Expanding your knowledge. Your horizons." (2021-09-12 06:07:06).

- You say, "THIS IS ONE OF THE REASONS FELIX CHOSE MARQUAI AS THE POWER TO ADDRESS, YES." (2021-09-12 06:09:48).

- You say, "WHILE FELIX REMAINS IGNORANT OF ITS ORIGINS AND REASON FOR CREATION, WE DO KNOW THAT THIS UNIT WAS DESIGNED FOR FRONTLINE ENGINEERING LOGISTICS AND INFRASTRUCTURE. FELIX MISUNDERSTOOD THE SCOPE OF "FRONT LINE". UNTIL NOW." (2021-09-12 06:12:37).

- You emote, " nods. " (2021-09-12 06:15:49).

- You say, "LAURENTIA'S SUFFERING MAY BE LESS VISIBLE, LESS SYMBOLIC THAN PETRA'S. BUT FELIX HAS SEEN ENOUGH. " (2021-09-12 06:16:53).

- Katerina Hasheen said, "Anyone who didn't wouldn't propose all this." (2021-09-12 06:24:07).
- You say, "THESE THEORIES ARE MERELY LOGICAL DEDUCTIONS. IF ANYTHING, FELIX SUGGESTS MOST NEXAL DENIZENS MAY AVOID THESE QUESTIONS DUE TO THE CONCEPTS BEING TOO PAINFUL TO BEAR." (2021-09-12 06:25:53).
- Katerina Hasheen said, "Logic alone doesn't care about suffering." (2021-09-12 06:27:10).
