### London

London is the capital of Great Britain. Its population is more than 8 million people. London stands on the river Thames. It is the largest city in Europe and one of the largest cities in the world. London is not only the capital of the country; it is also a very big port, one of the greatest commercial centers in the world, a university city, and the seat of the government of Great Britain.

The main parts of London are: the City, the West End, the East End and Westminster.

The City is the commercial part of London. Only about ten thousand people live there.

The West End is the richest part of London. You can find the best shops, theatres, cinemas, museums, fine parks and squares there. Its houses and streets are very beautiful. The rich people live in the West End.

The East End is the part of London where working people live. There are not many parks in London.

There are a lot of places of interest in London: Westminster Abbey, Tower of London, St. Paul's Cathedral, and many others.
