- It takes about 10 minutes to walk from one side of campus to the other.

Heat advisory:

We've been scoping out the weather and as of right now it looks like we'll have some temperatures in the 90s in Tacoma until 7/9 and then hopefully we'll see things cool down into the 80's during our programming. **There isn't A/C on campus.** So, make sure to bring water, hats, sunblock, and other items that will help you stay cool and hydrated, and feel free to dress for the weather. We will have a couple outdoor activities, including a catered dinner on 7/10.

If you're lodging on campus we highly recommend bringing a fan to help your room stay cooler if you have one. If you can bring some extra fans in case your dorm neighbor isn't able to bring one, that would be splendid.

When I get to campus, where do I park and how do I check in?

Parking — Parking is free anywhere on campus (unless stated otherwise) and there is also parking in nearby neighborhoods as well. Our map shows a number of different parking areas.

Alcohol on campus and Evening Hangouts

Please remember that we are on a college campus, so special rules apply! The University of Puget Sound normally does not allow alcohol outside of the privacy of the dorm rooms. However, they are willing to let us have beverages in the Residence Hall common areas and in

a designated section during our evening hangouts. Please honor their generosity by keeping things respectful and clean. Also, please do not sneak alcohol to other parts of campus, like academic buildings or outdoor spaces. Our Evening Hangouts will happen in the Trimble Hall forum and the adjacent patio. We will have a variety of non-alcoholic options, in addition to beer and wine. We do ask that by 10:00pm anyone socializing outside with alcoholic beverages comes inside and keep the noise levels down.

Fire Safety Information

Please take time to locate the fire exits and all other exits in your hall. **If you hear a fire alarm, do not ignore it.** Please exit the building and wait to re-enter the building upon the direction of campus security or the fire department.

Noise

Please be considerate of other conference guests in the hall. You may opt to bring earplugs if you are a light sleeper. If you encounter problems with other conference guests and are unable to resolve noise conflicts, please contact Eric at eric@oregonlandtrusts.org.

Smoking

Smoking or vaping is not allowed inside buildings, or within 25 feet of any building on the campus. Please do not smoke or vape inside the residence hall. Thank you for your cooperation.
