

## *Noirenard NSFW Commissions rules*

### *What is considered NSFW ?*

For my commission, I use the term NSFW to describe art that isn't suitable for people younger than 18. Such content includes: suggestive posing, fixation on genitals/breasts/butts and depiction of sexual activity even if the characters involved aren't fully nude/if no genitals are visible. 'SFW kinks' are considered NSFW as well.

### *Alts:*

For a few extra bucks, you can get an alt of your NSFW commissions (a version of your commission with slight edits, things like clothes to make the commission SFW, cum alt etc...). An alt costs at least \$10, the price might rise depending on the complexity of the alt. The price is multiplied for every extra alt ofc.

### *NSFW TOS:*

- When getting a NSFW commission from me, make sure you read and follow my general commission TOS. Failing to follow my general *and* NSFW TOS can result in your commission being cancelled, and you will be added to a public blacklist and blocked on all my socials.
- You have to be 18 years or older to get a NSFW commission from me.
- All the characters featured in NSFW commissions must be anthropomorphic/humanoid and both be, and *look like* adults. You can find more details about what I will and will not draw in the next section.
- Discussing adult content isn't an excuse to be flirty/sexual in my DM's ! Please do not send nudes sexual comments about me, mildly horny comments regarding my art or characters is fine. If you really need to send a photo/art reference for your commission, always ask if I'm okay with it okay first :)

- Do not request NSFW commissions of characters you do not own if you didn't get confirmation from the own that they are okay with it. If I find out you commissioned me to draw someone's else's character without their consent you will be blocked and blacklisted.
- I do not accept NSFW commissions of real people, or of characters from franchises. This does not apply to sonas and redesigns/AU designs you made of franchise characters.
- Btw You're free to ask for NSFW commissions featuring my own characters, including my sonas (aside from Ren and Reze) :D

## Boundaries
