Weekly News

At Delphic School Students and Staff are Safe, Respectful, and Responsible

March 28, 2025

SUPERINTENDENT/PRINCIPAL MESSAGE

Dear Parents and Families,

Science Week Open House

Please join us for our Open House on April 10th from 3:00-4:00pm. Our students will showcase the work they've done all week in science with Mr. Birch.

LCAP Parent Meeting

Please join us for an LCAP parent meeting on Friday, April 11th at 8:30am. We will discuss our district planned goals and take input on school improvement. Thank you for considering joining us.

Important Reminders

*It is cold and flu season. Please take extra precautions including good hygiene, cover coughs and sneezes, stay home when sick, and clean and disinfect regularly.

*For independent study, we need as much notice beforehand as possible. The minimum notice we require matches the amount of days the student will be out. For example, if the student is out for 3 days, we will need 3 days of notice beforehand in order to allow the teacher enough time to get work together.

*Please send your child with a jacket, hat and gloves. We always go outside unless the weather is very wet so we want to make sure everyone is prepared to be warm.

*Attendance is one of the most critical features of kids' success in school. If your child has to miss school, please contact the office. Please try to schedule appointments outside of school hours to help support your child's school success.

For the kids!

Mrs. Carver

Superintendent/Principal, Email: jcarver@delphic.k12.ca.us

K-2 GRADE

- The kindergarteners are working in their writing folders, diagraphs, and 10 frames in math. The first and second graders are learning how to tell time. First graders are working on "ar" words and second graders are working on "ou" and "ow" vowel teams. We had a great field trip to the fish hatchery on Tuesday and they got to spend all their money at the Delphic Dollar Store on Wednesday.
cday@delphic.k12.ca.us

3-5 GRADE

- This week we've been working on a special classroom book, showcasing our favorite writing pieces from the year. Our field trip to Greenhorn was a highlight, where we searched for signs of spring and even tried our hand at building bird nests. In Social Studies, we've been diving into early migration, learning about the Bering Land Bridge and how it shaped human history. It's been a fantastic week of hands-on learning and imagination!
bramsden@delphic.k12.ca.us

6-8 GRADE

- This week, all the grades completed their ELA project of inserting a character into a scene from the novel they have been studying. For the project we did lessons specifically on improving narratives like character development and consistency, using different words than "said", utilizing sensory and emotional words, and formatting dialogue. The seventh and eighth graders started on Positive Prevention Plus this week while the sixth graders practiced for the upcoming CAASPP test. On Wednesdays all of the grades practice together for CAASPP. For now they are working through test taking skills with partners and soon we will move on to practicing independently.

(Safe Afterschool For Everyone)

Happy Friday Delphic families! Monday the 31st we will be starting Track in SAFE with Mrs. Day. Any interested students should come prepared with proper running shoes and comfortable clothing. On Friday we enjoyed art club and yoga club. Have a great weekend!

-Kelly-
