Testimonial

Dilan Nash (Sunderland Academy Coach)

"Marco is an enthusiastic individual and player, and this reflects his performances throughout the past season at IDA Valencia. Marco has been an integral figure and ever present within his squad and has played a key role in big performances against Atletico Madrid, Rayo Vallecano, Atletico Mineiro, Olympique de Marseille and Shakhtar Donetsk respectively. A player who is dominant in the air, 1v1 defensive battles and is comfortable on the ball allowing his teams to build from the back and maintain possession. If given clear instructions, he will follow very closely and has the abilities to be adaptable to suit almost any style of play. Has demonstrated leadership qualities with his communication and is a respected player within his squad, one of the main reasons why he was selected to be one of 4 captains within his team. Marco would be a valuable asset to any team who is looking to progress to the next level."
