

Arkadelphia Public Schools
Nikki Thomas, Superintendent
Jimmy King, Director of Support Services

August 2026 Safety Report

- We have a new SRO at Goza, Officer Ryan Kluever.
- Lead SRO, Sgt. Randy Lau, led training for each campus on our Building Professional Development days on our Standard Response Protocols. Other First Responders were also in attendance.
- Traffic has gone pretty smoothly for the start of school and will continue to get more efficient as drivers learn the routine.
