Team buses will return to Ohio after competition on five separate days. Wrestlers who have completed their participation will return on the first available bus. If you wish to leave with your parents or another adult prior to or after finals, **you must have a written note** stating when you are leaving and with whom. This note must be given to one of the team leaders or head coaches.

Bedding is provided and there are laundry facilities in the dorms. They will need plenty of workout clothes, toiletries, and towel(s). If you are staying with your parents, you still must attend all Team Meetings.
